

It all started one
afternoon...

A hand is holding a black smartphone. The screen shows a text message conversation with six messages in speech bubbles. The messages are: 'Hi, this is Ellen.', 'I was inspired by your great grandma's story.', 'Hi Ellen, this is June', 'I would love to talk with you about what had happened', 'Great i can talk on zoom if that's all right.', and 'Ok'.

Hi, this is Ellen.

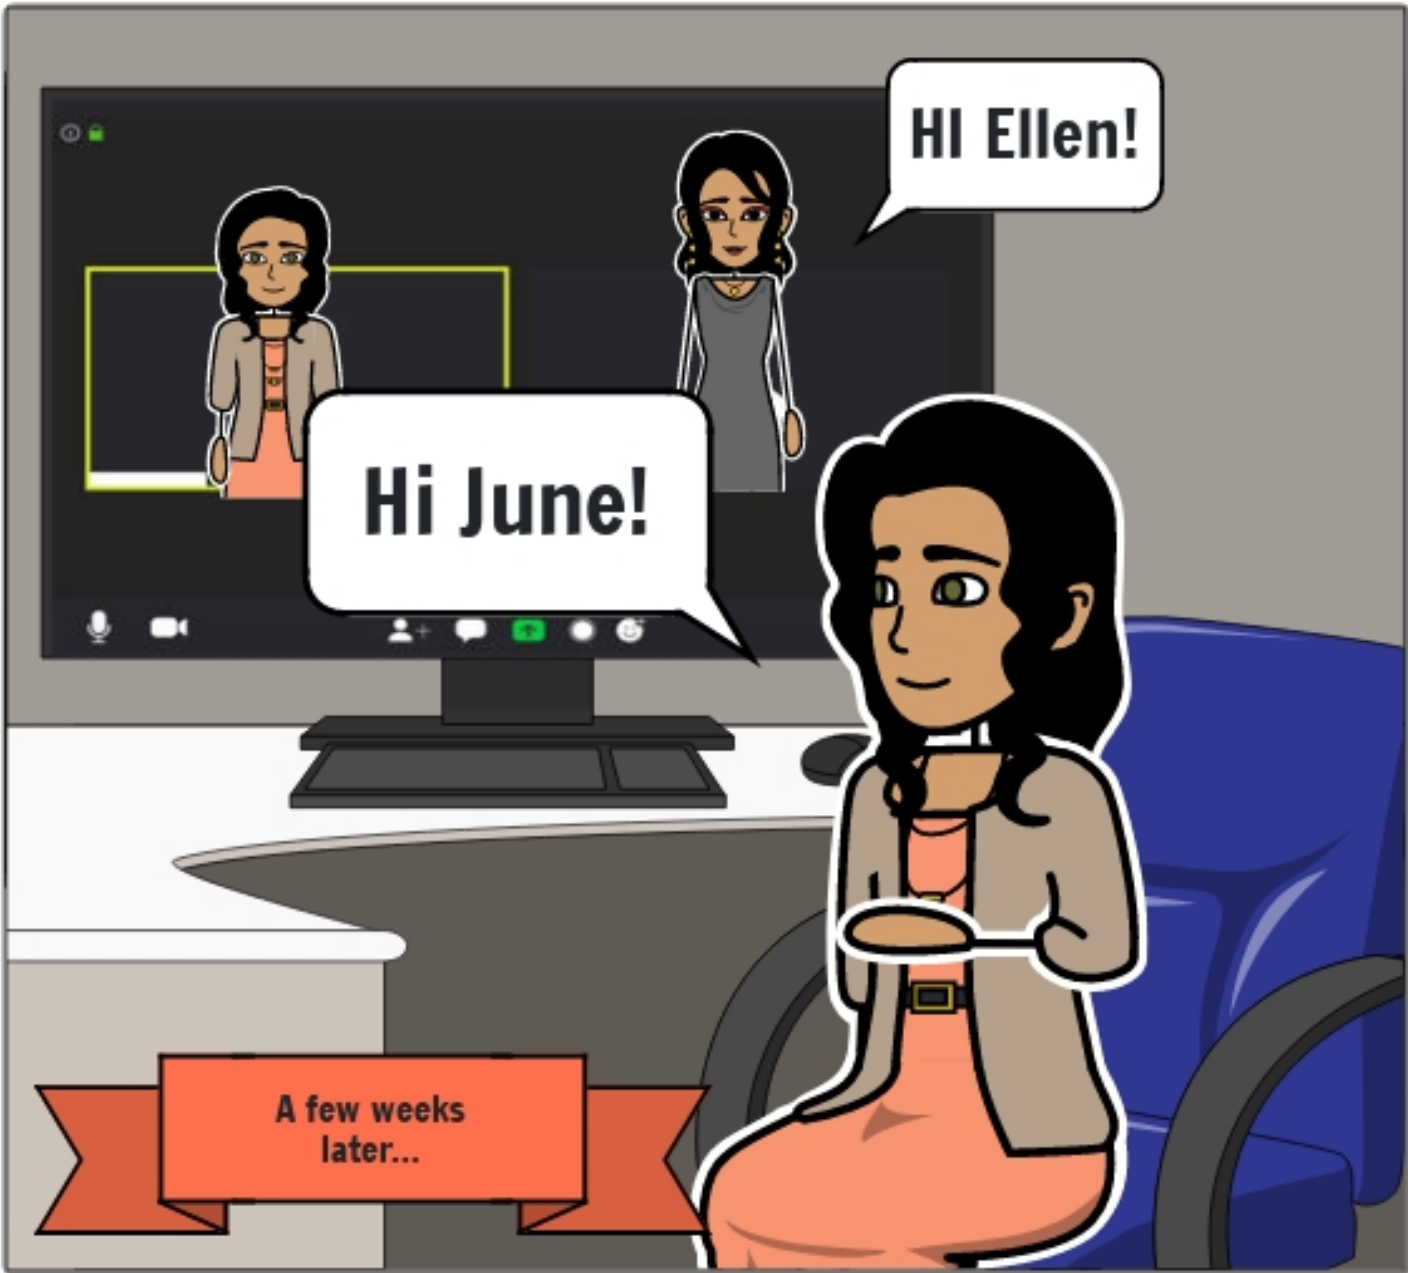

I was inspired by your great grandma's story.

Hi Ellen, this is June

I would love to talk with you about what had happened

Great i can talk on zoom if that's all right.

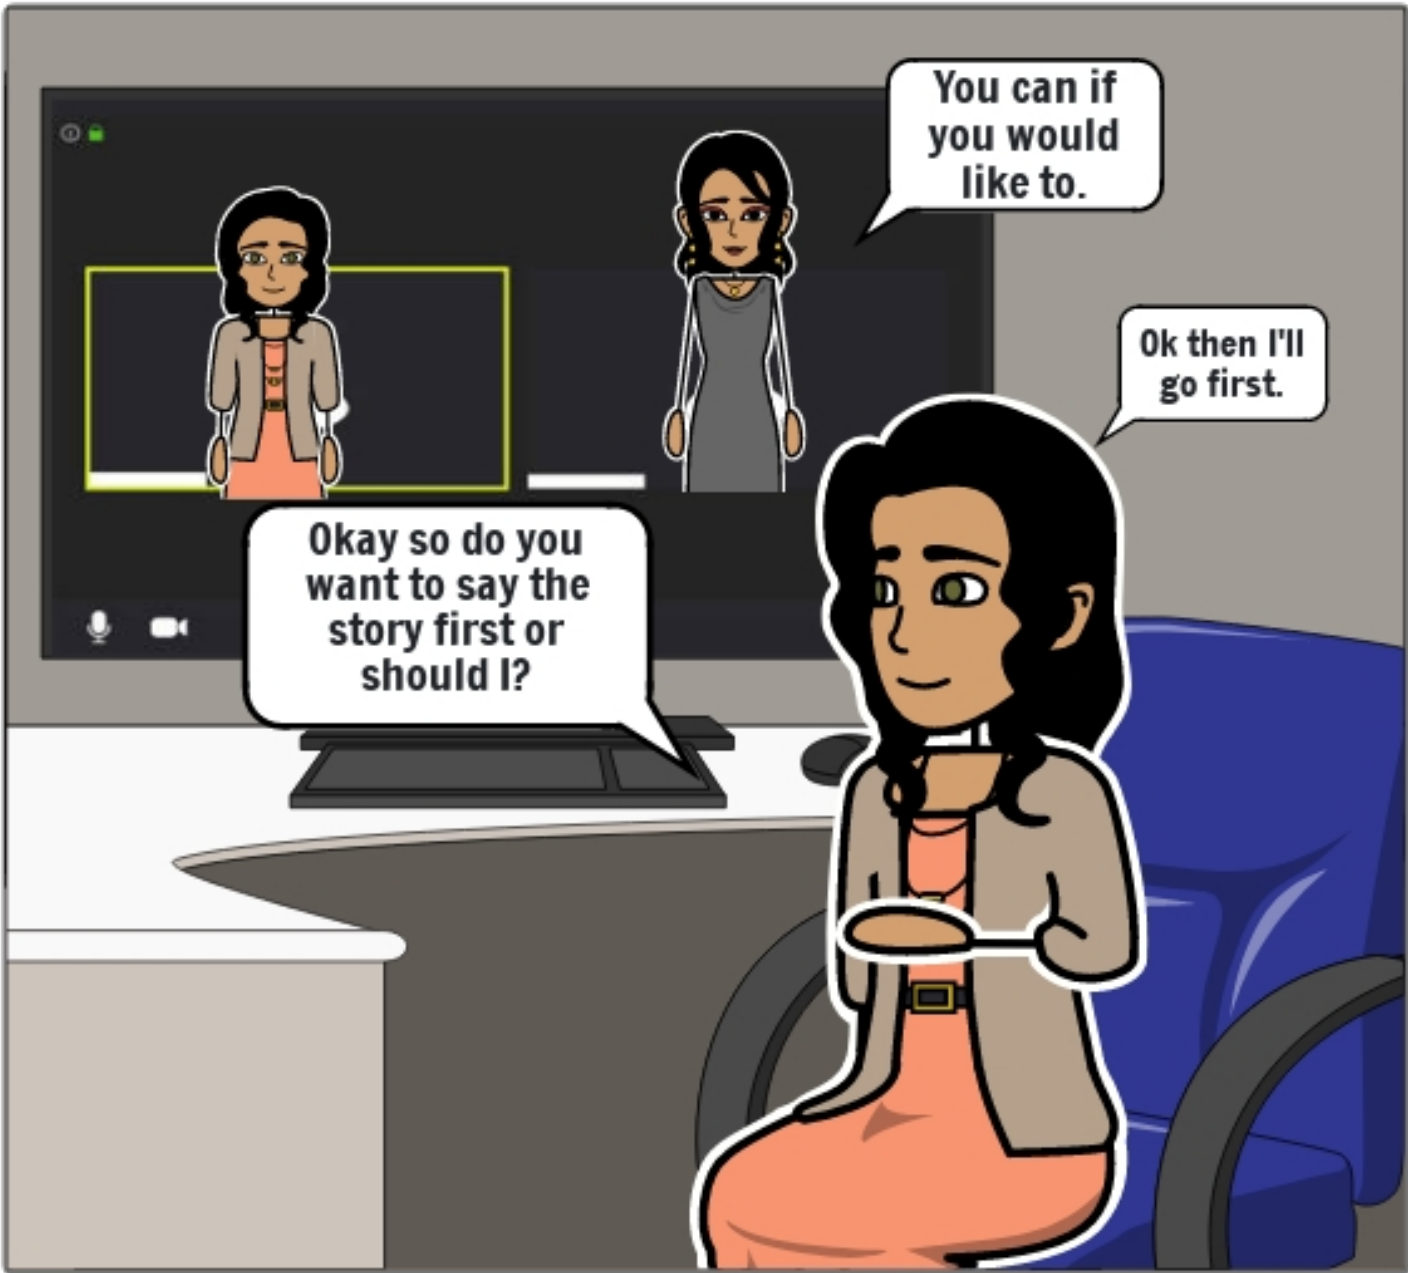

Ok

Hi June!

Hi Ellen!

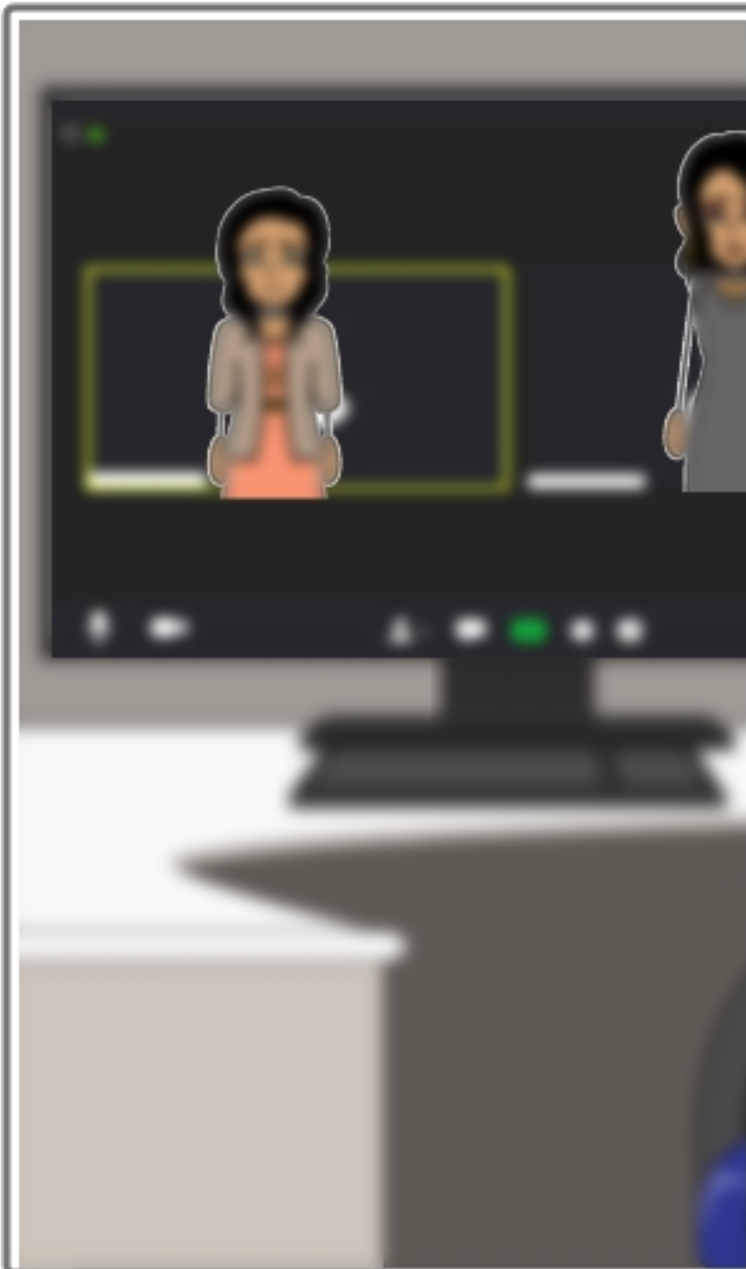

A few weeks later...

You can if you would like to.

Ok then I'll go first.

Okay so do you want to say the story first or should I?

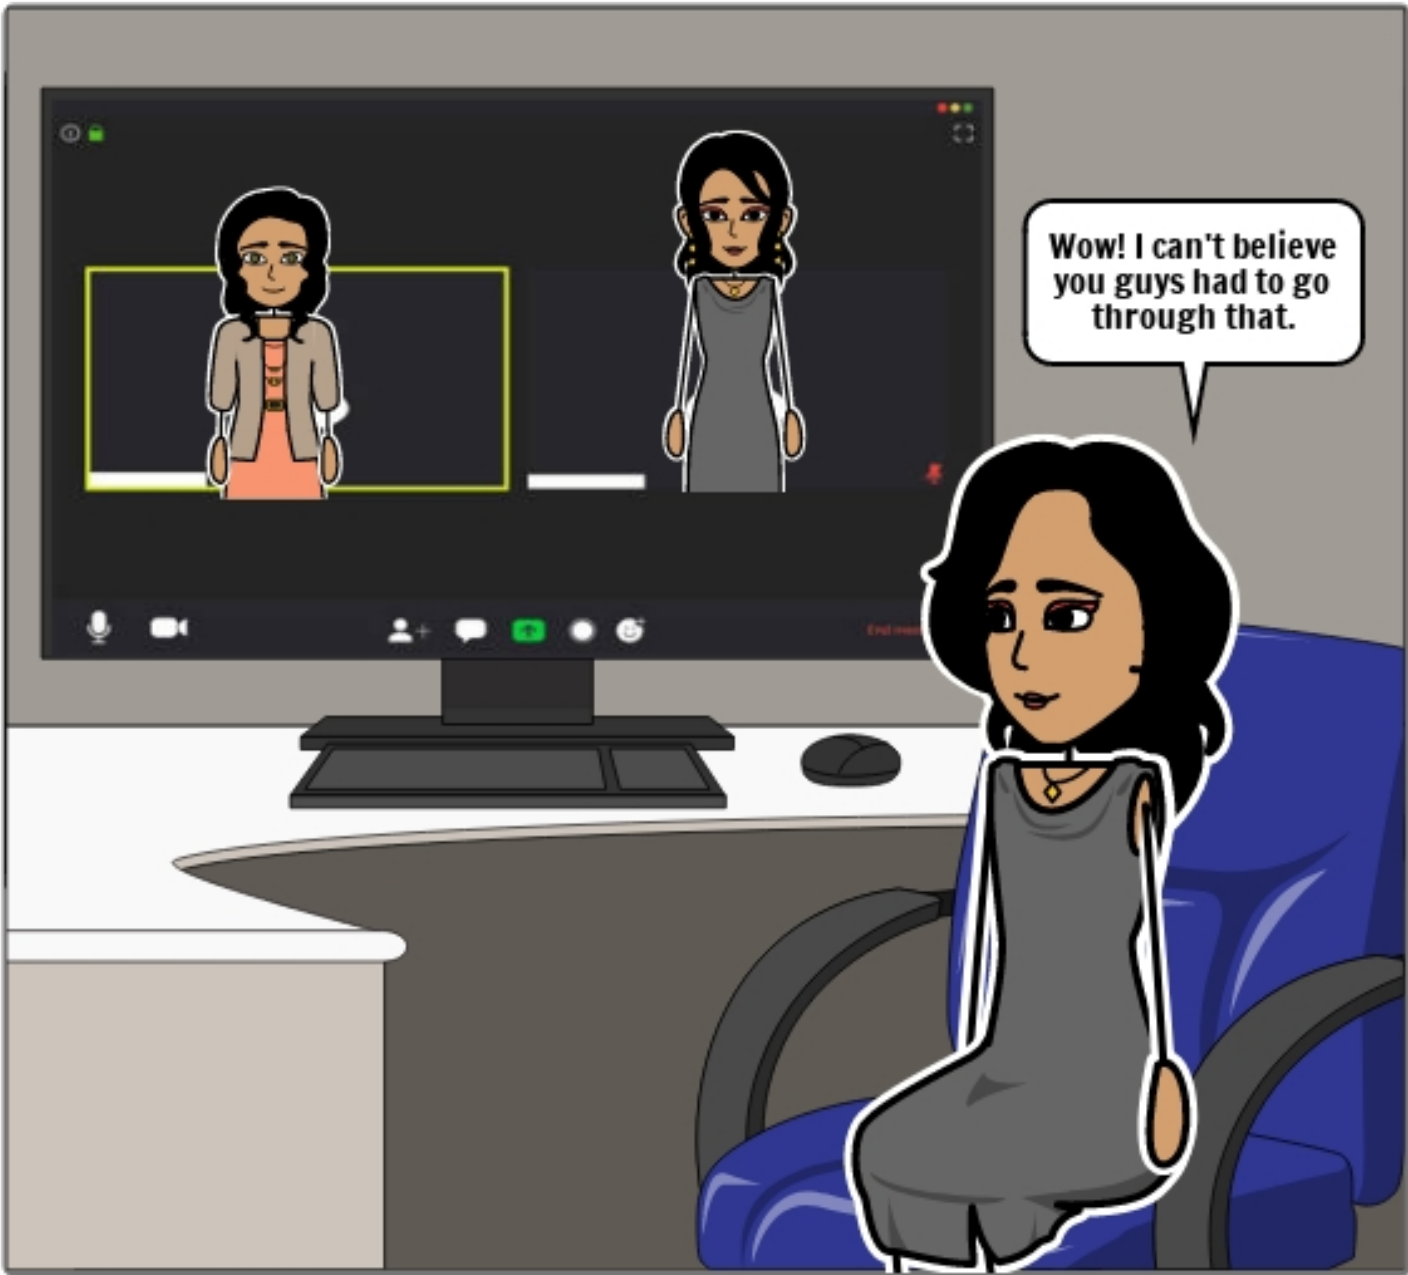

So basically my friend (Annemarie) and I were walking home from school one afternoon when a Nazi soldier stop us at the end of the block but nothing bad really happened

What are you girls running out on the sidewalk like this!?

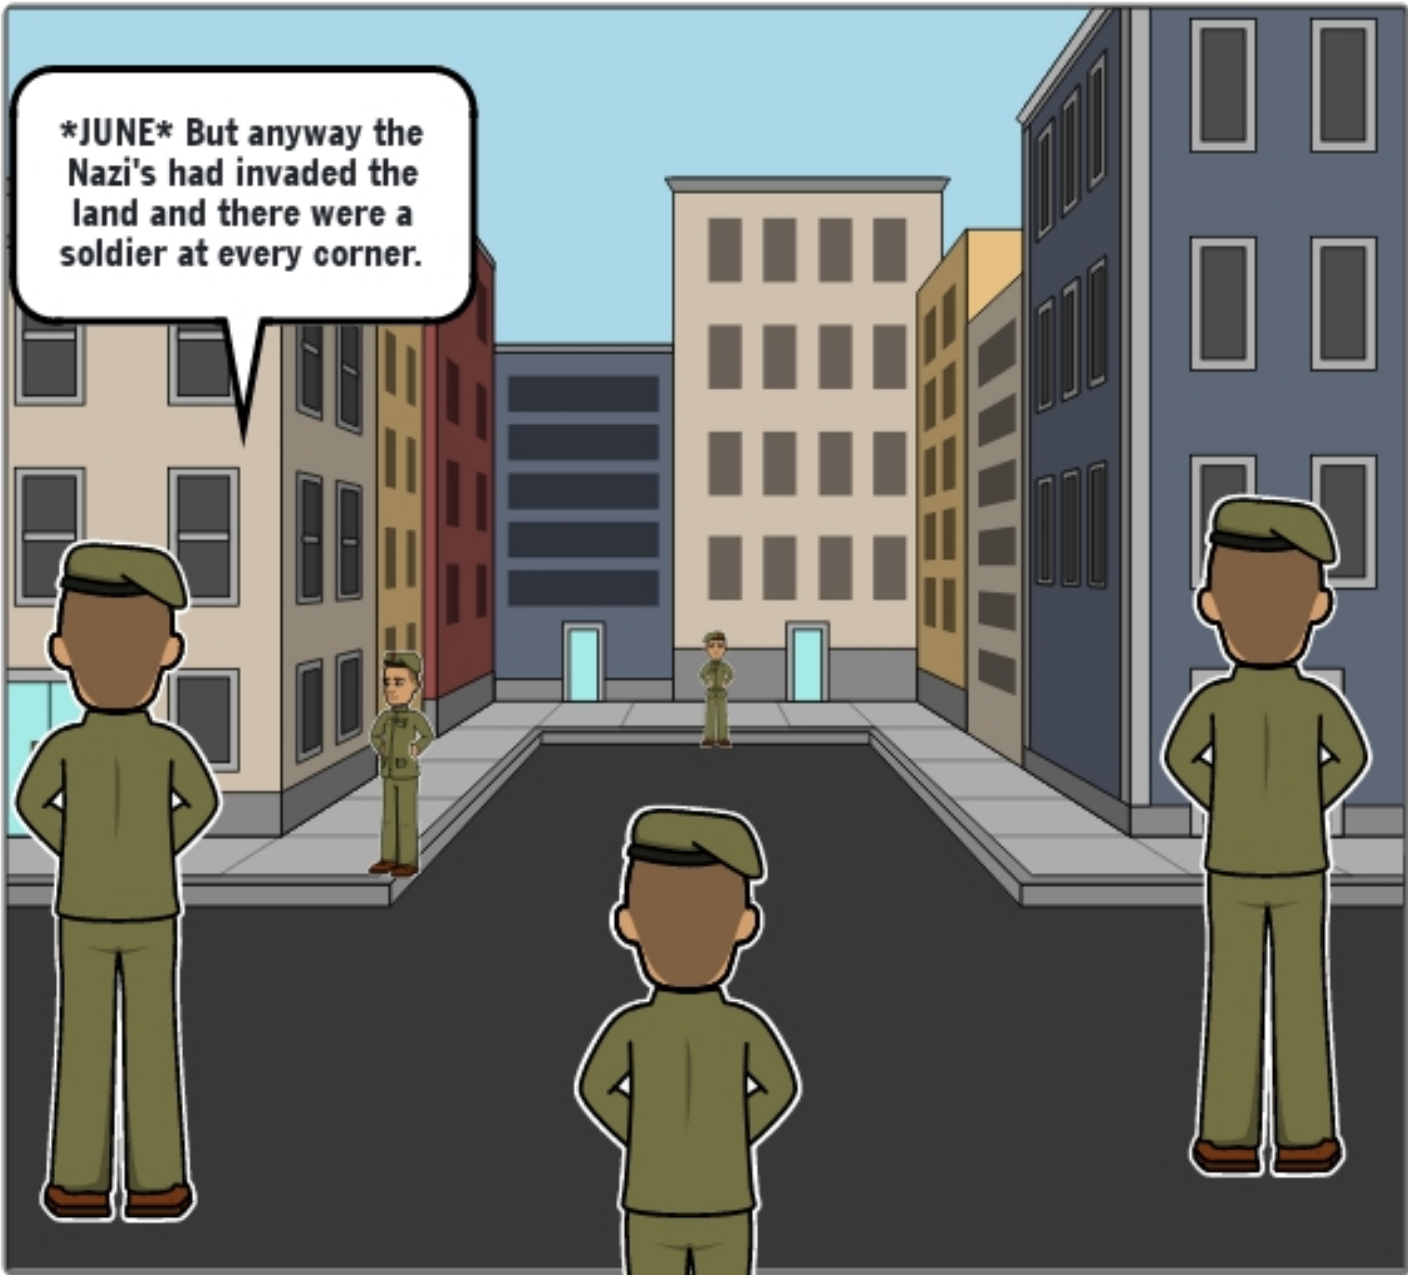

We were just racing getting ready for a race competition. We are very sorry.

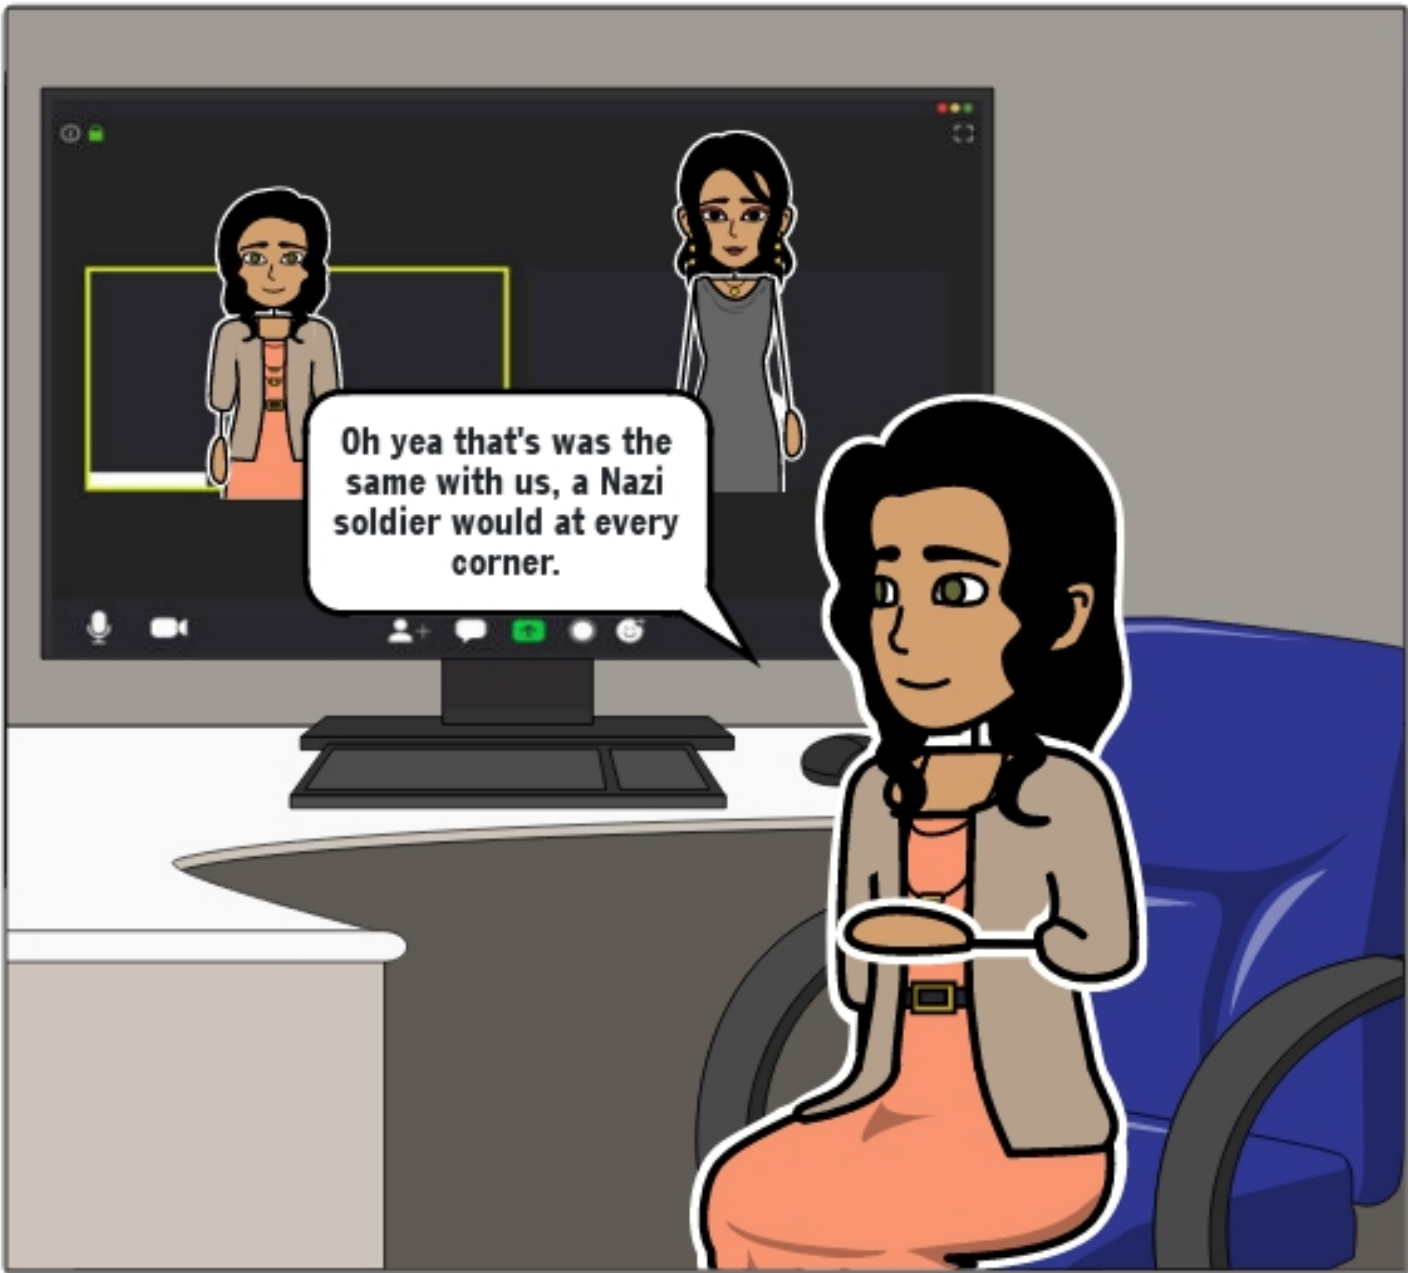

Ok you guys can go, but never do that again.

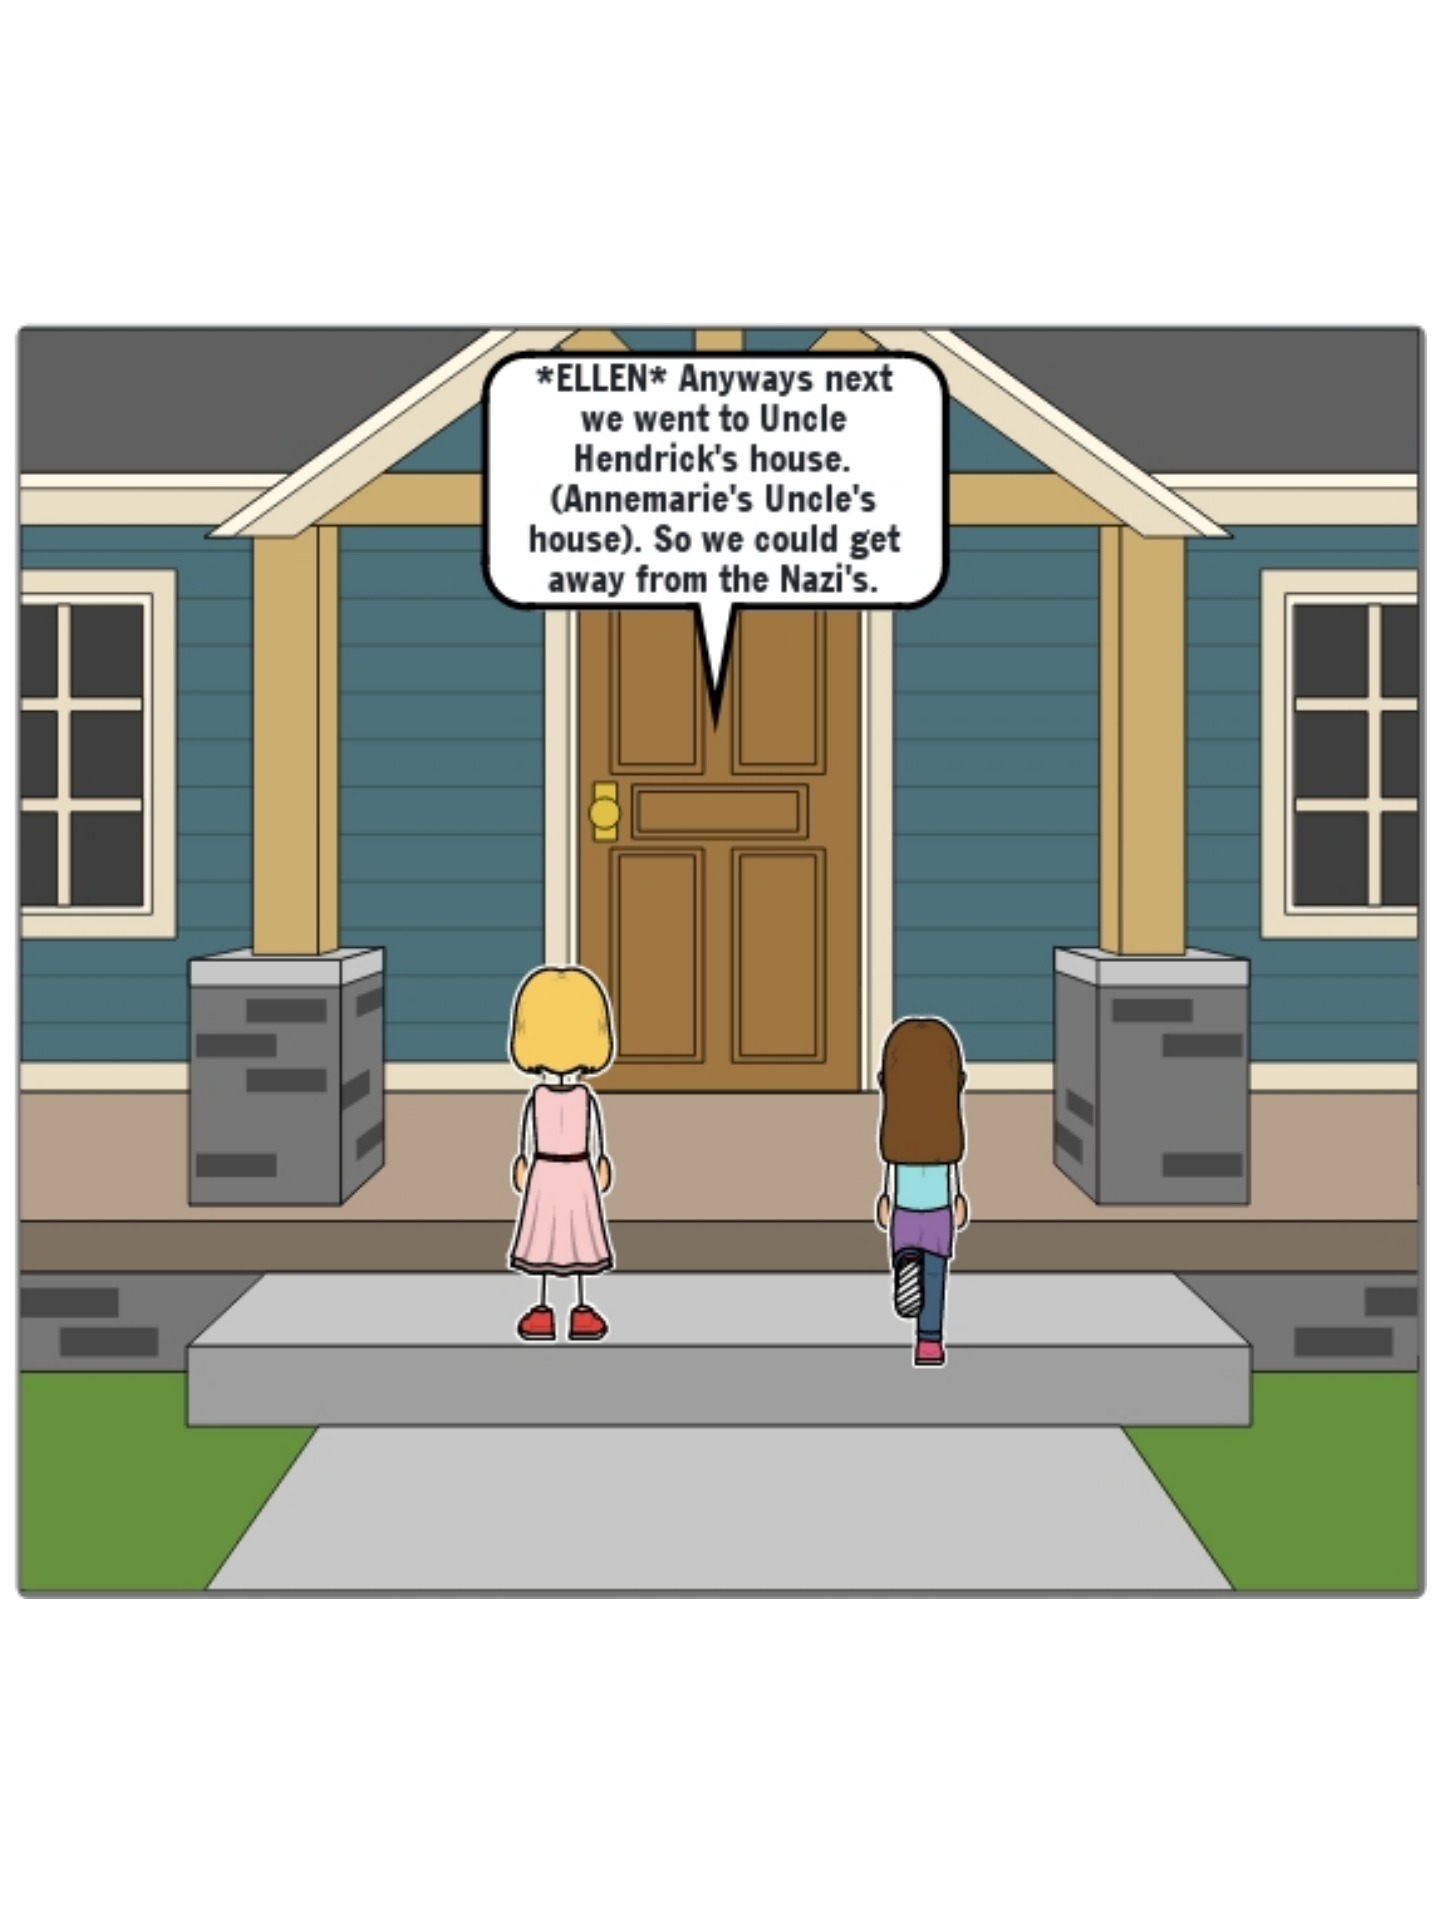

Wow! I can't believe you guys had to go through that.

JUNE But anyway the Nazi's had invaded the land and there were a soldier at every corner.

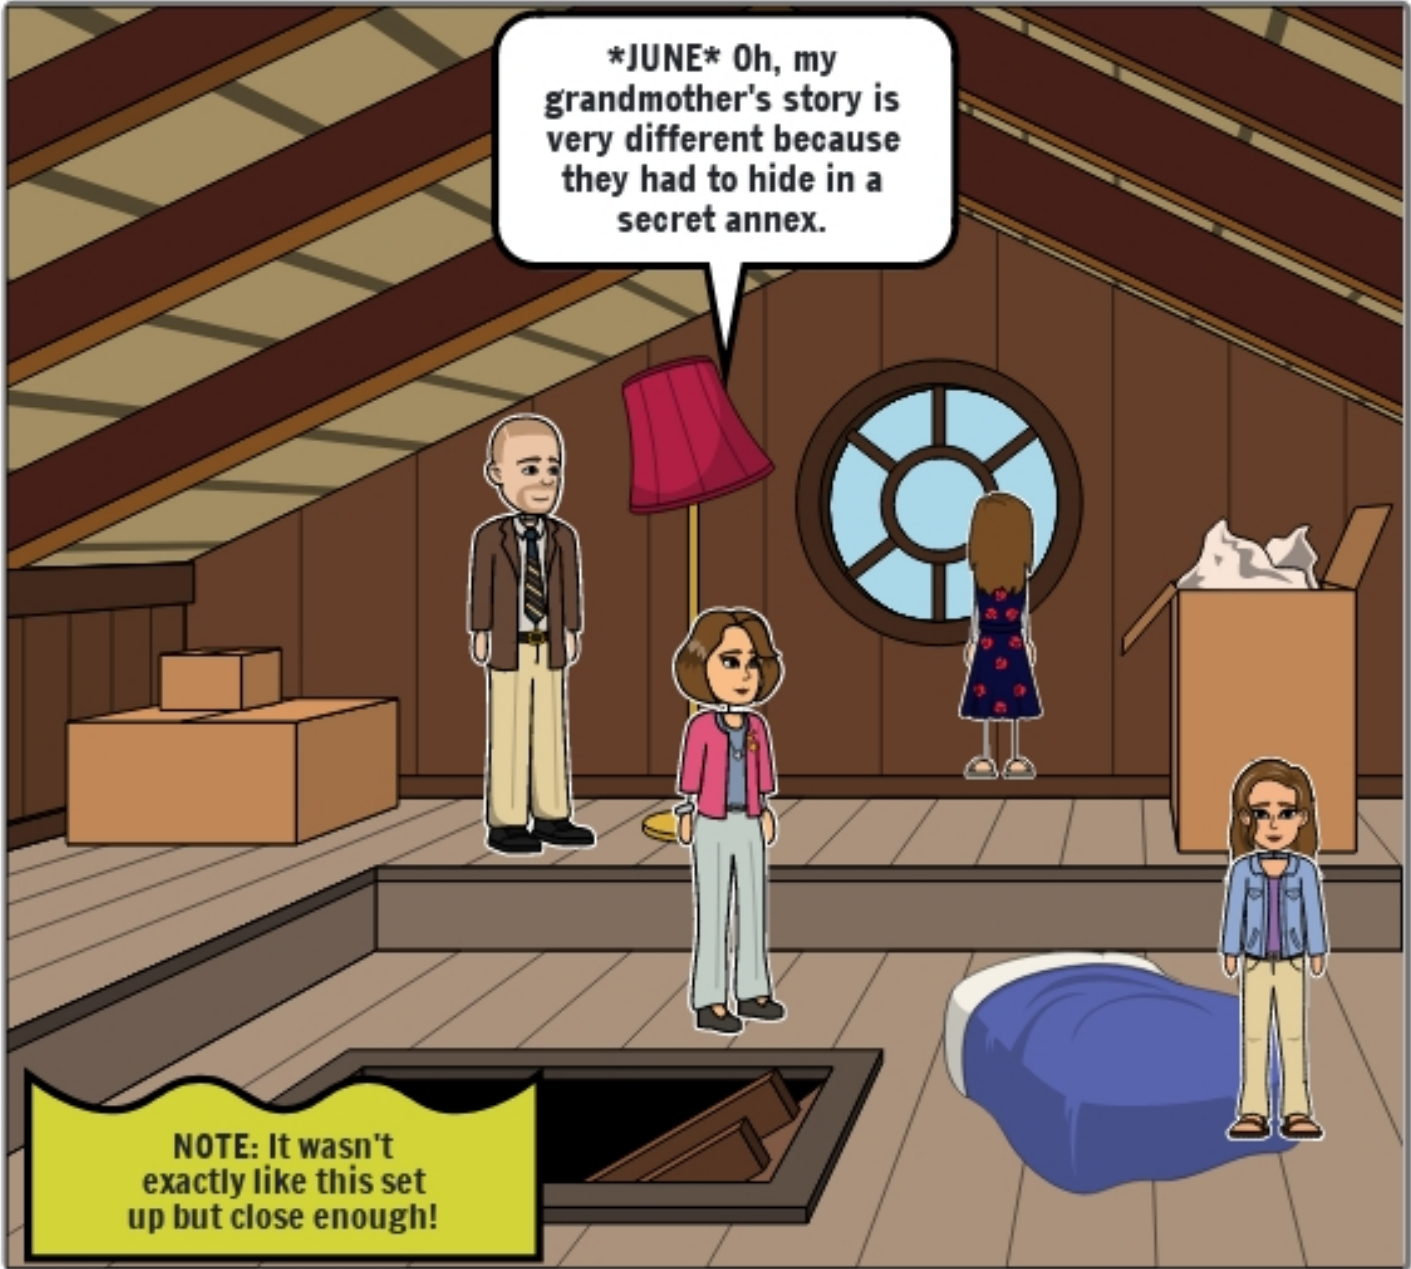

Oh yea that's was the same with us, a Nazi soldier would at every corner.

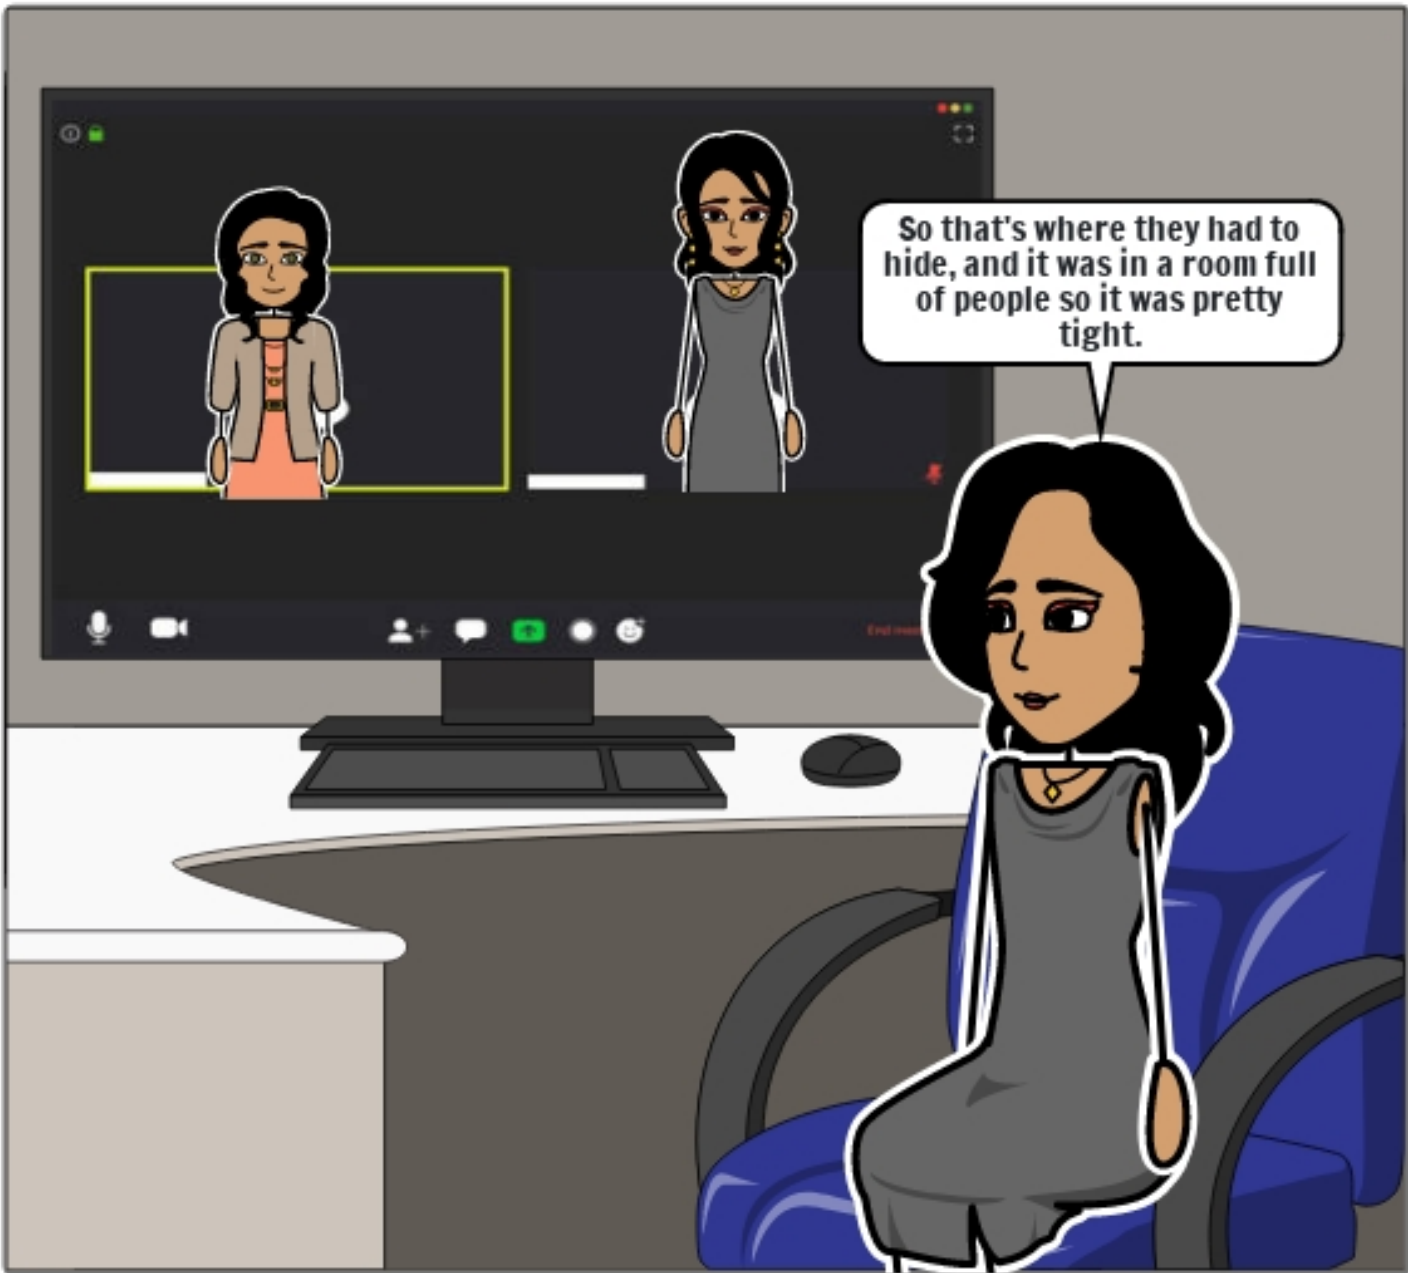

ELLEN Anyways next we went to Uncle Hendrick's house. (Annemarie's Uncle's house). So we could get away from the Nazi's.

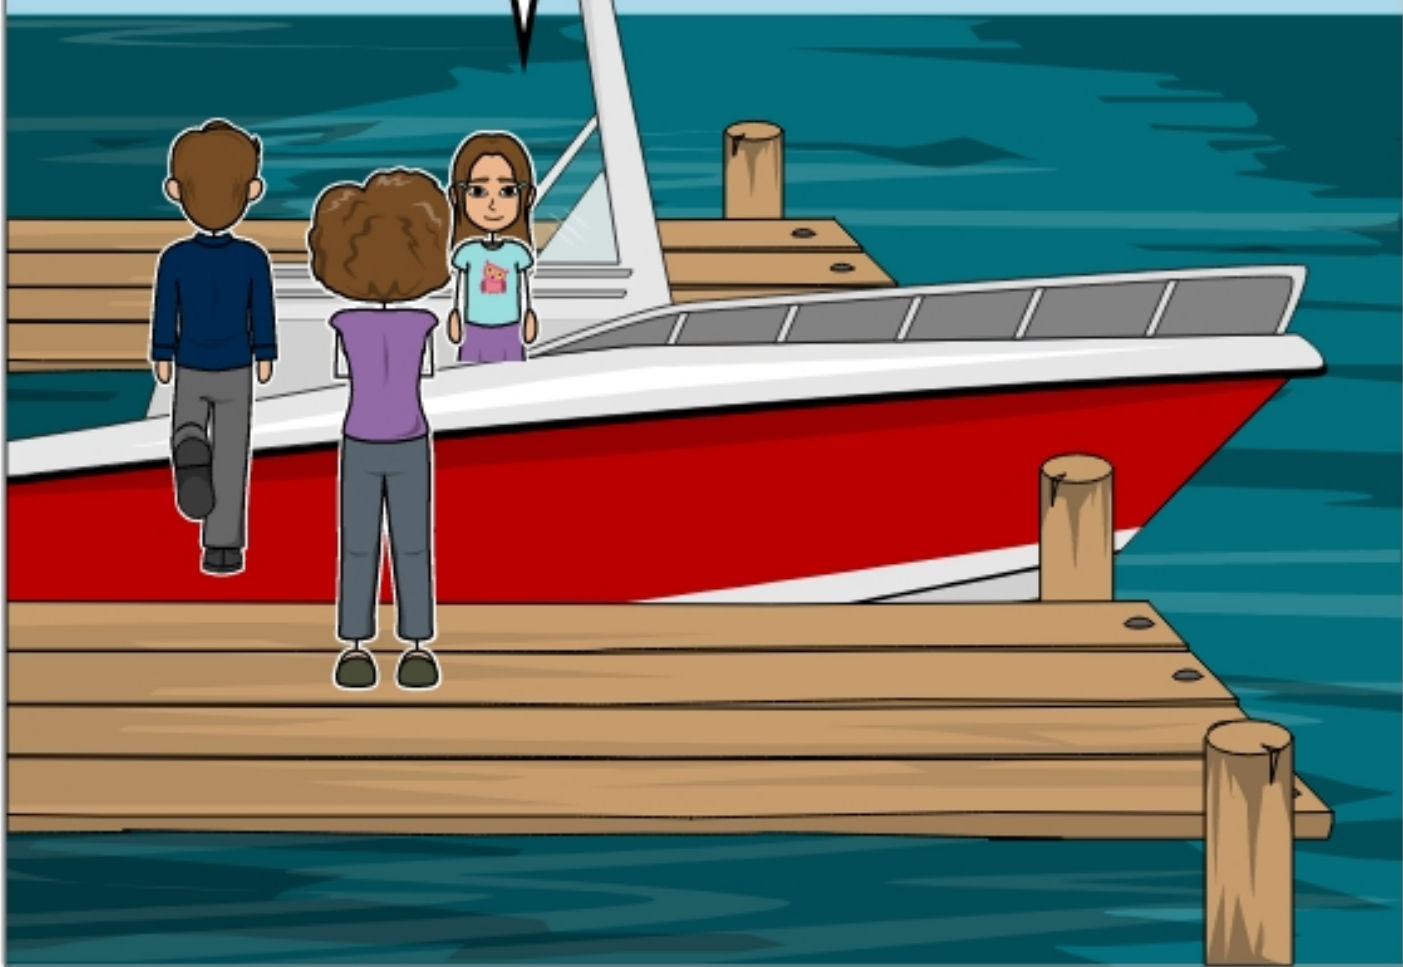

JUNE Oh, my grandmother's story is very different because they had to hide in a secret annex.

NOTE: It wasn't exactly like this set up but close enough!

So that's where they had to hide, and it was in a room full of people so it was pretty tight.

ELLEN Oh well yeah we had to hide in a small place under a boat. A family and my family hid under the boat so we could go to Sweden.

JUNE Wow most have been tough. So basically Anne and her sister got taken to a concentration camp.

Anne and her sister also got an illness while in the concentration camp and had later passed away.

What are you doing
running in the woods
so early?

I am bring my
uncle his lunch
that he forgot

I see that you've got
something here at the
bottom, can I take a
LOOK?

Um please don't
you've already taken
all of my uncle's
lunch.

BARKS

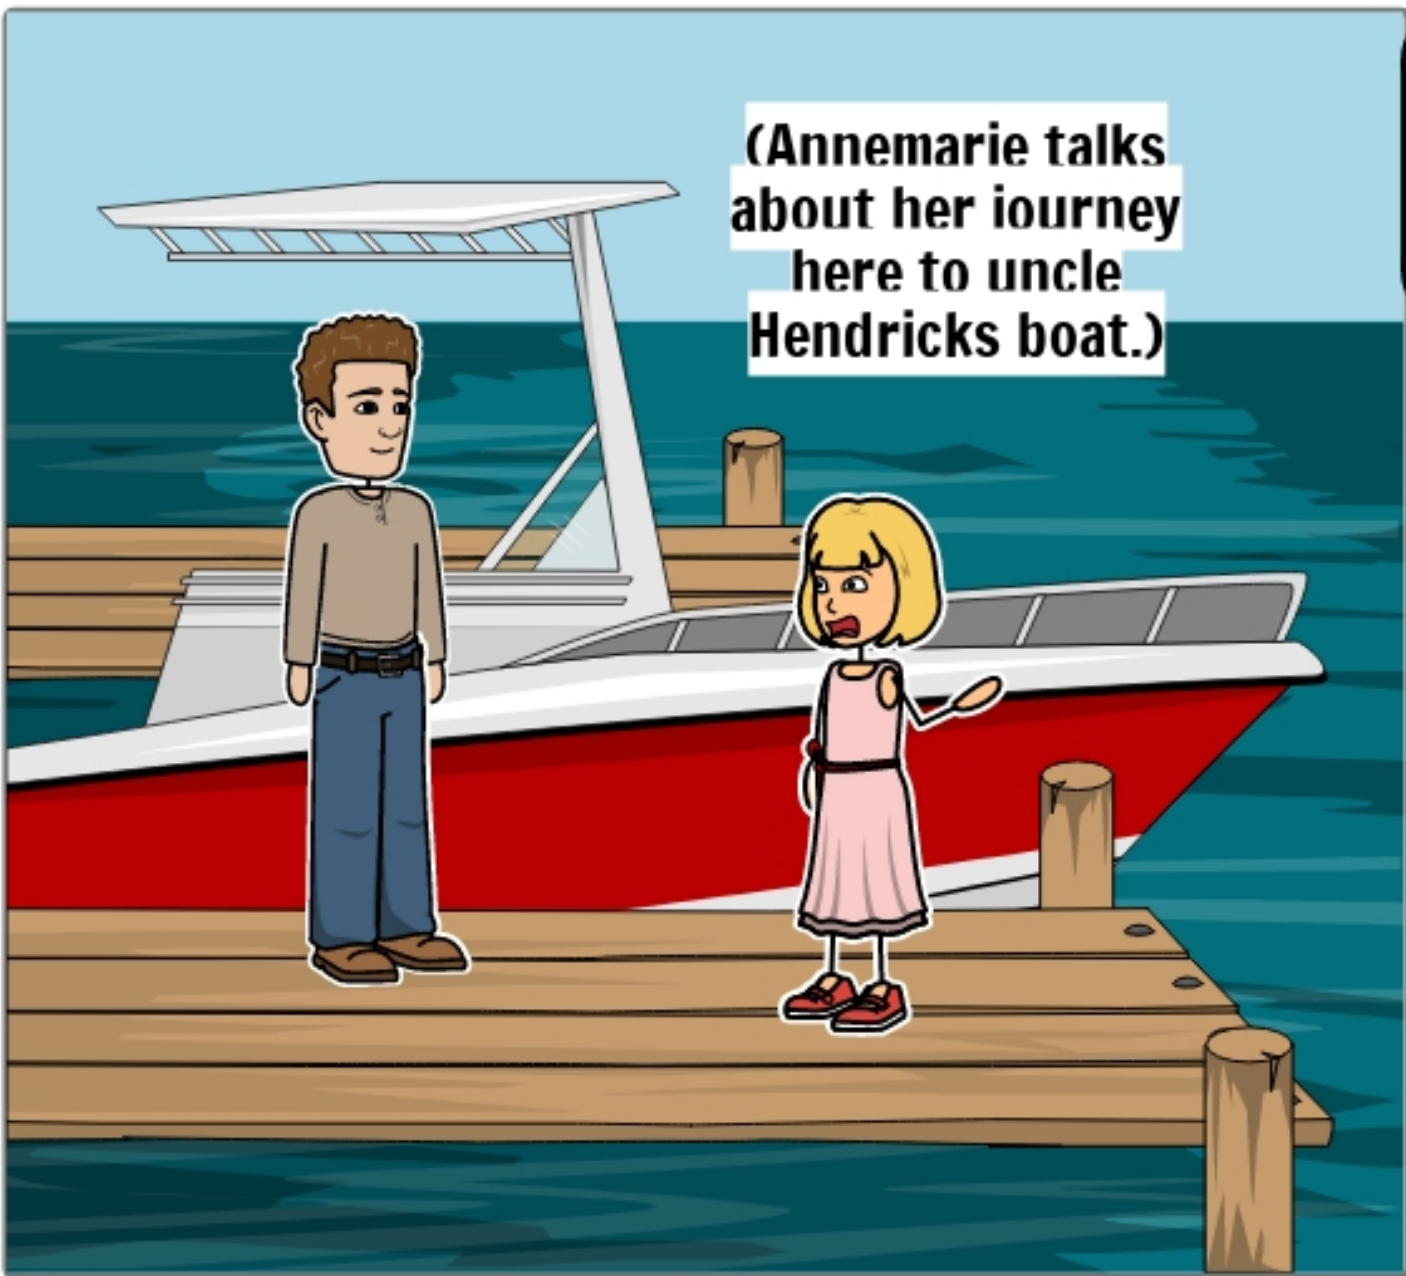

What is this here?!?

Um I don't know
it's my uncles.

Doesn't look
like much, you
can go now.

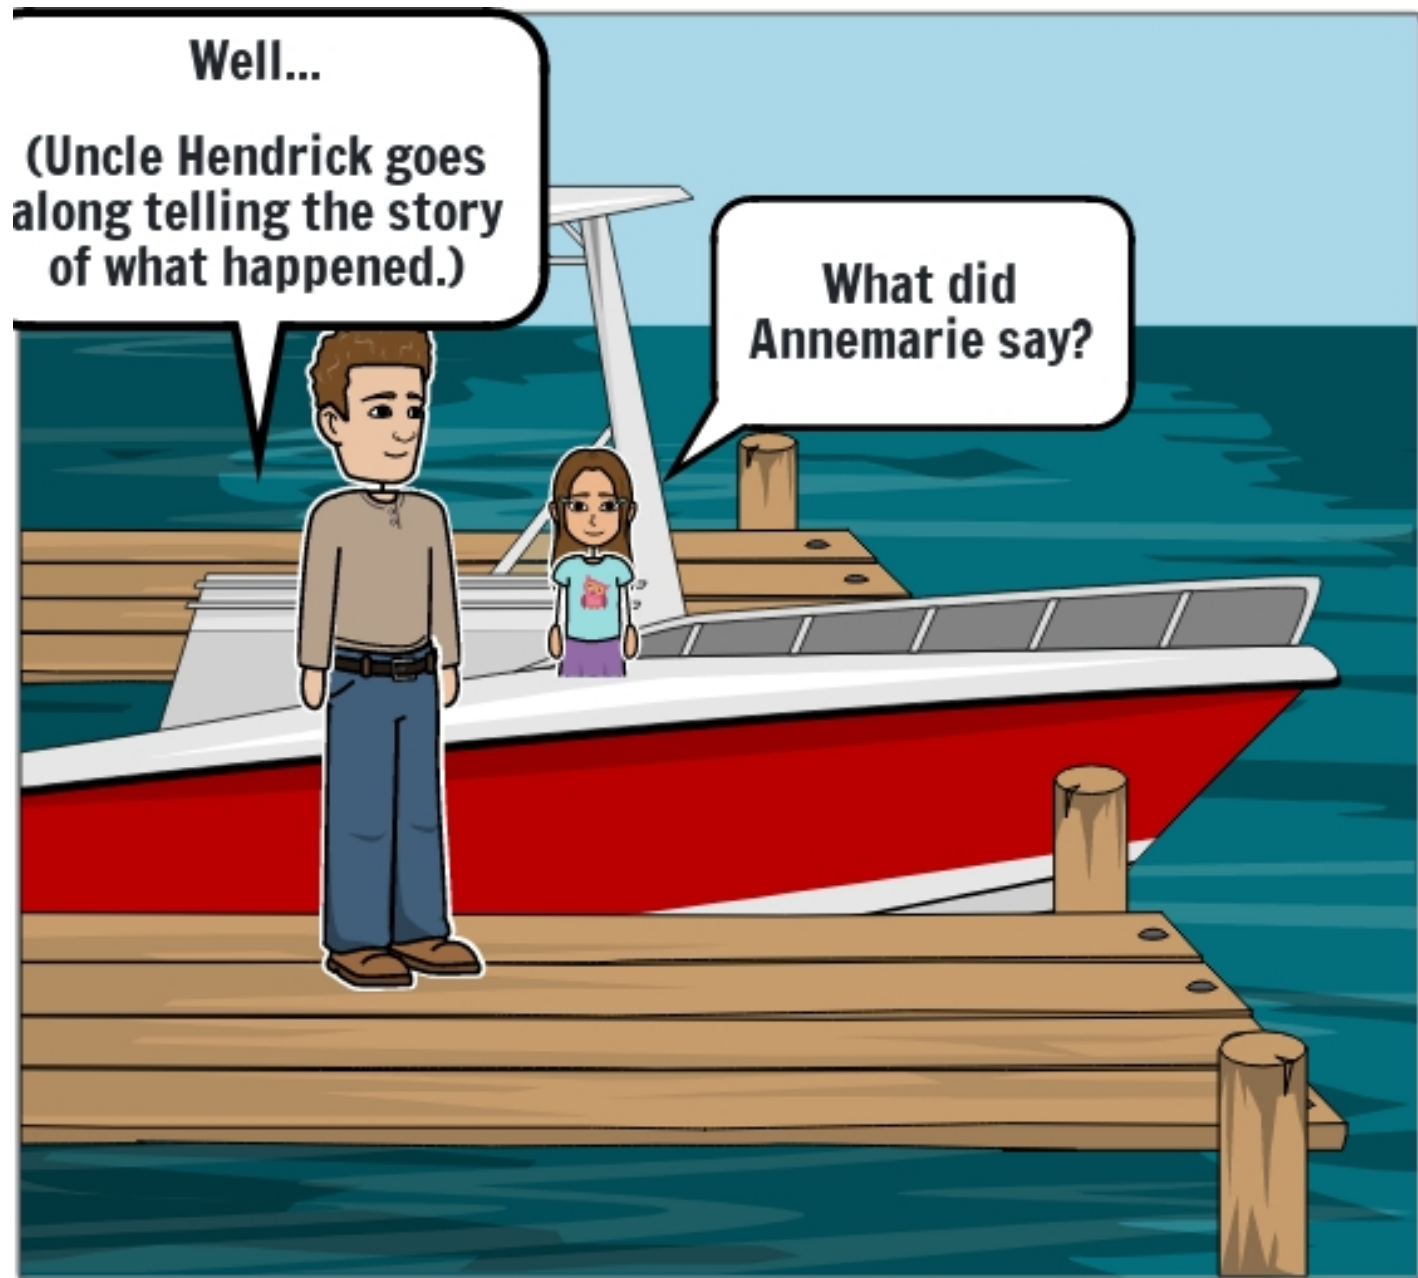

**(Annemarie talks
about her journey
here to uncle
Hendricks boat.)**

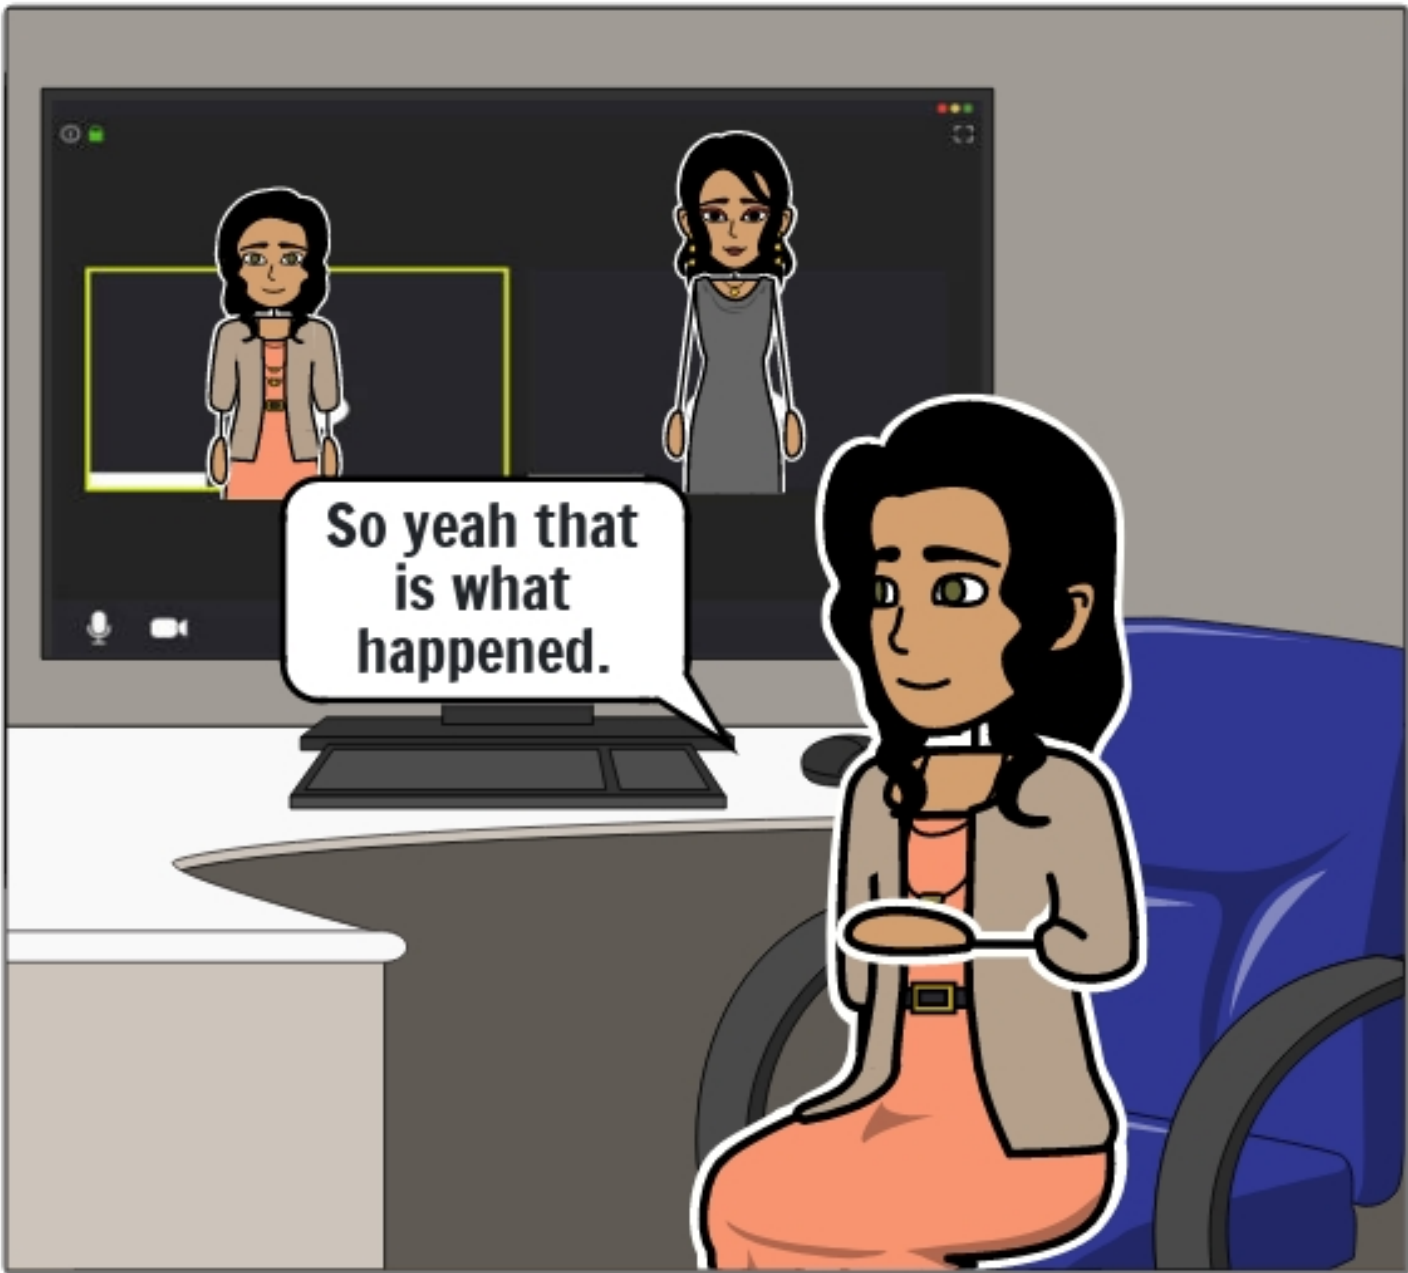

Well...

(Uncle Hendrick goes along telling the story of what happened.)

What did Annemarie say?
