

On a Saturday night, Anya was reading to her father, Loid the book Number the Stars.

***Reading Number
the Stars***

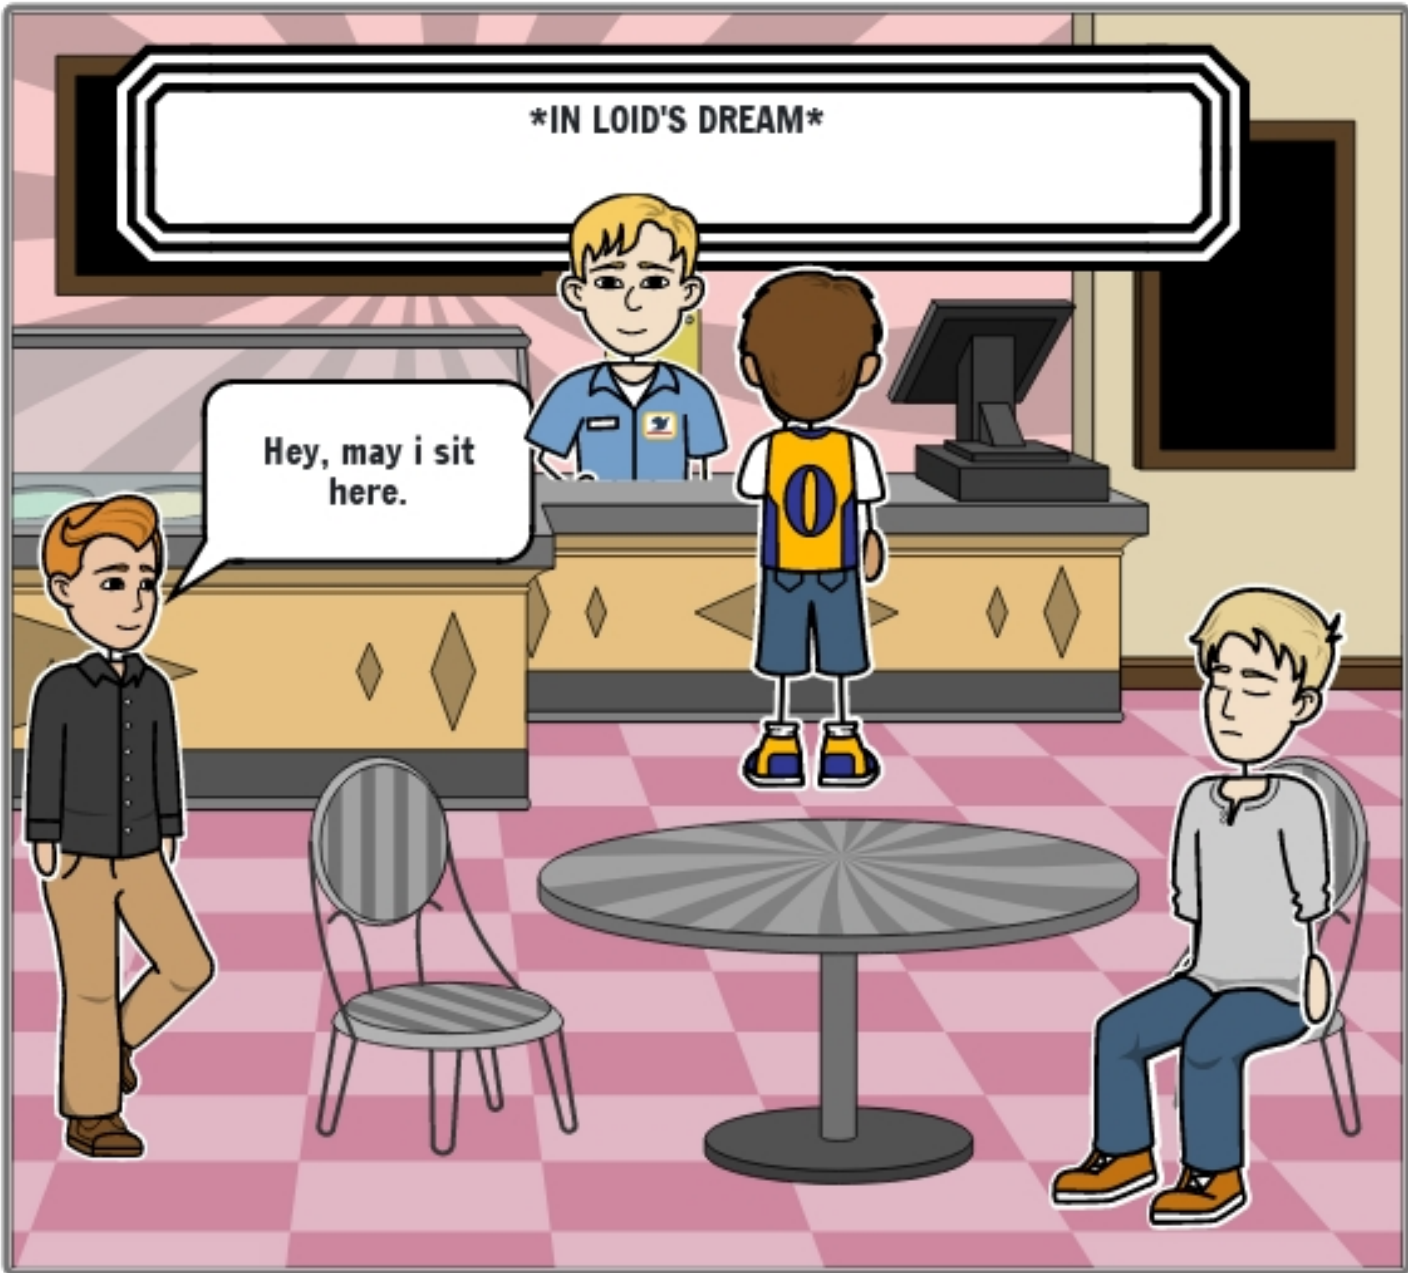

***Focusing on
the character
Peter***

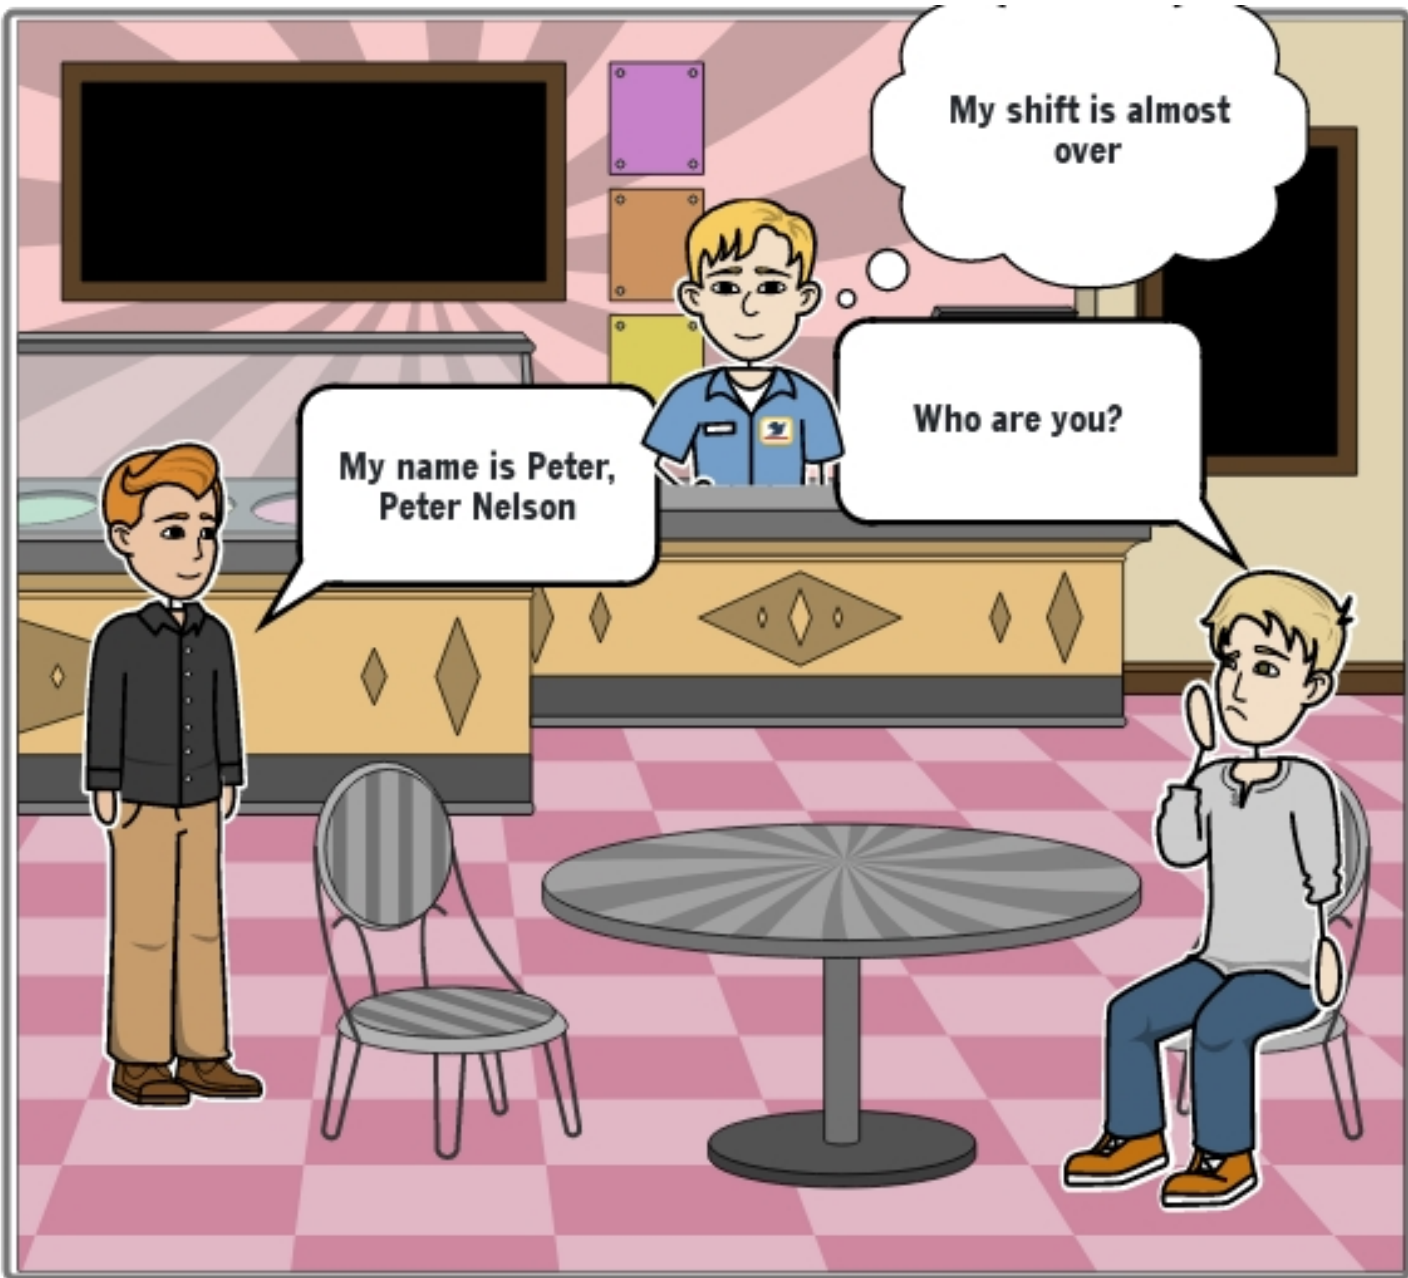

IN LOID'S DREAM

Hey, may i sit here.

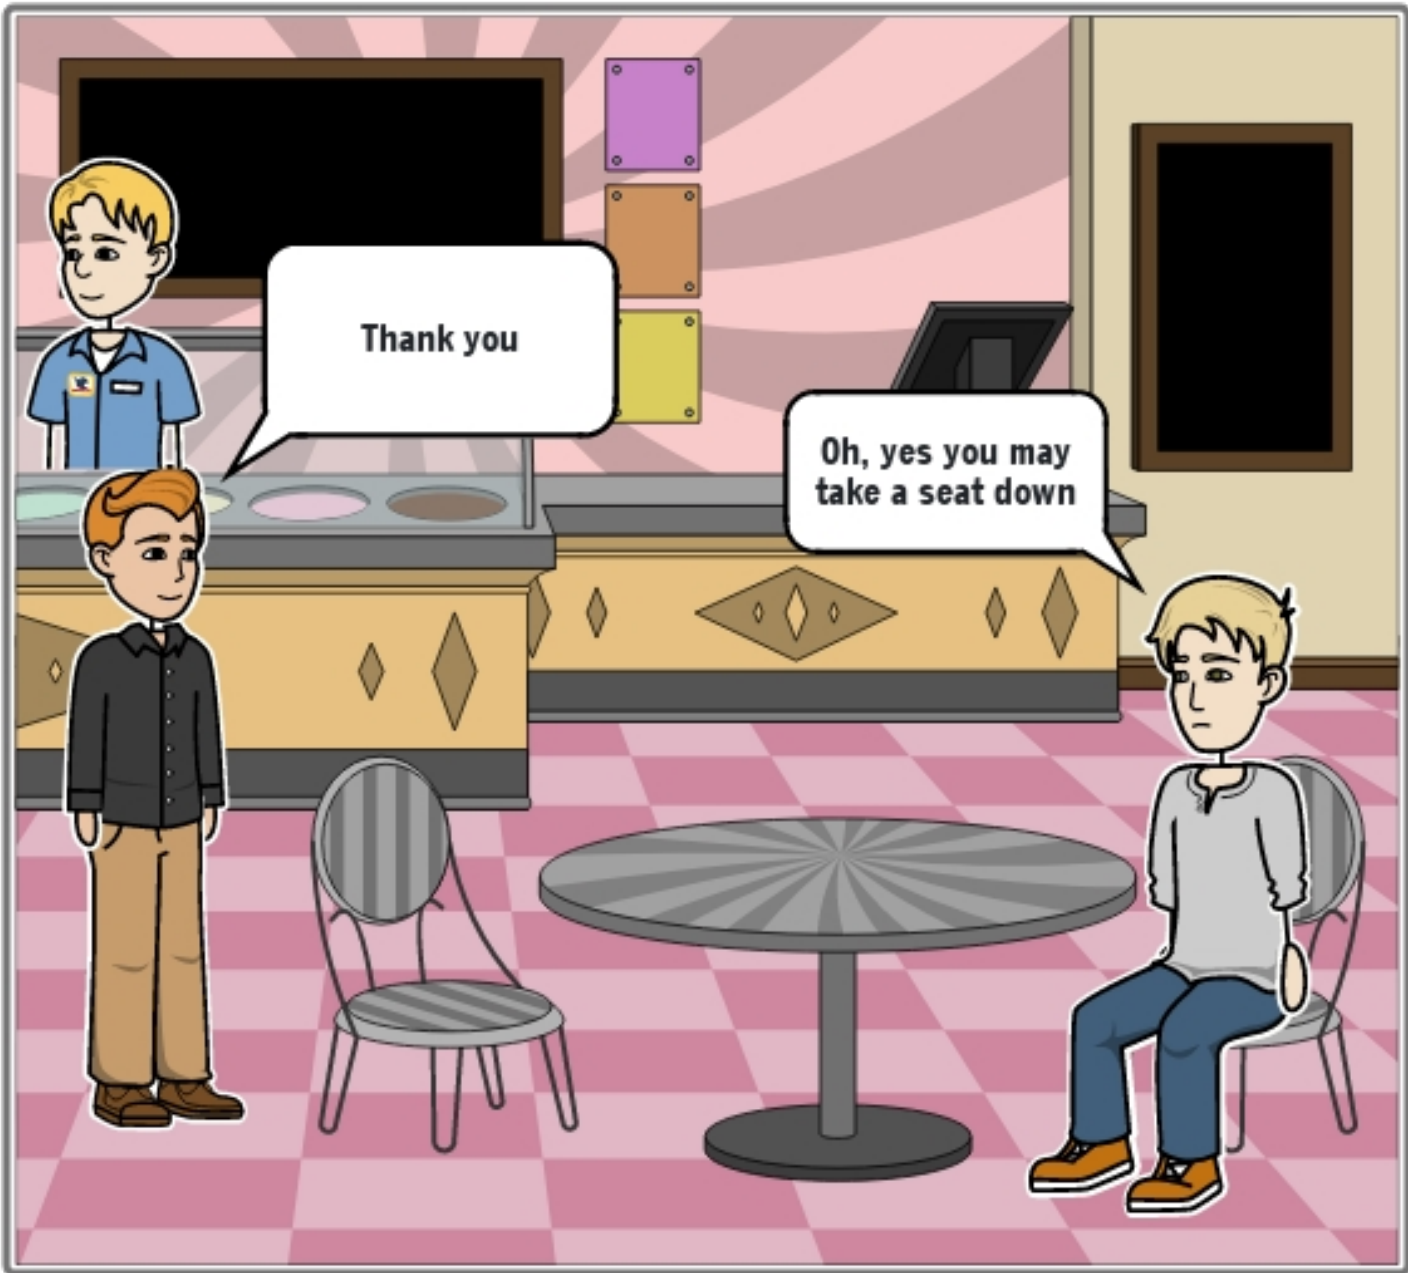

My shift is almost over

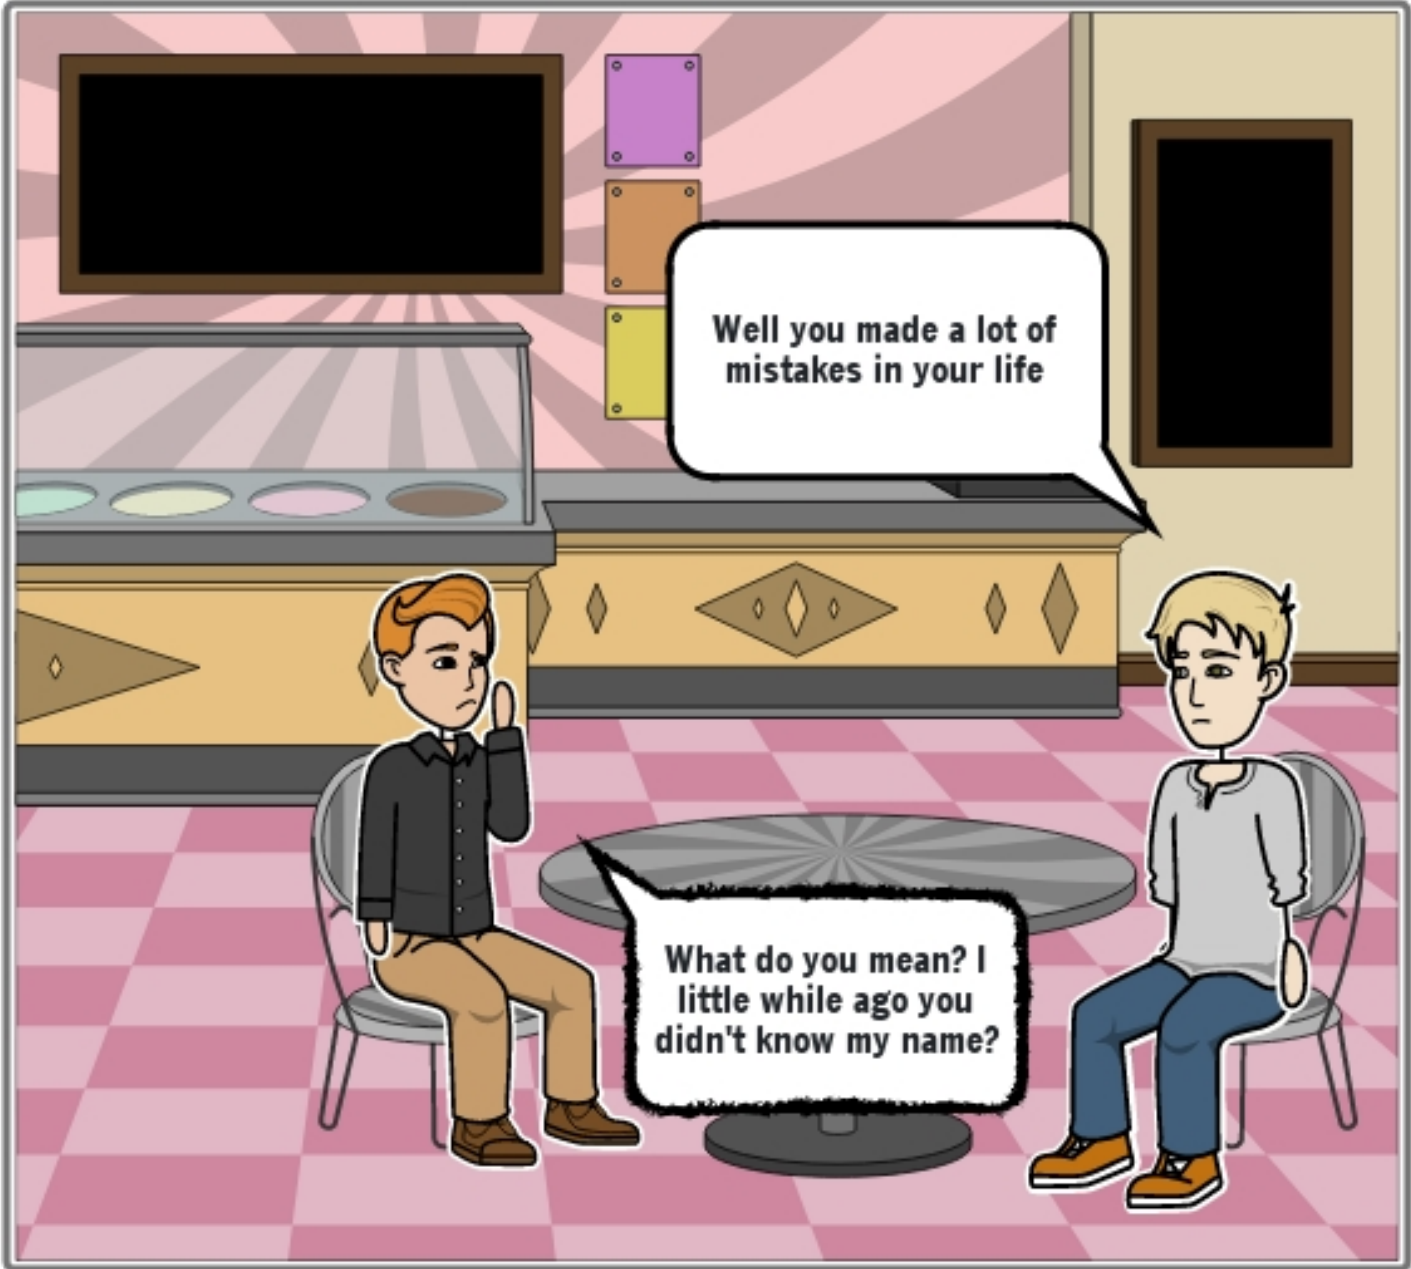

My name is Peter,
Peter Nelson

Who are you?

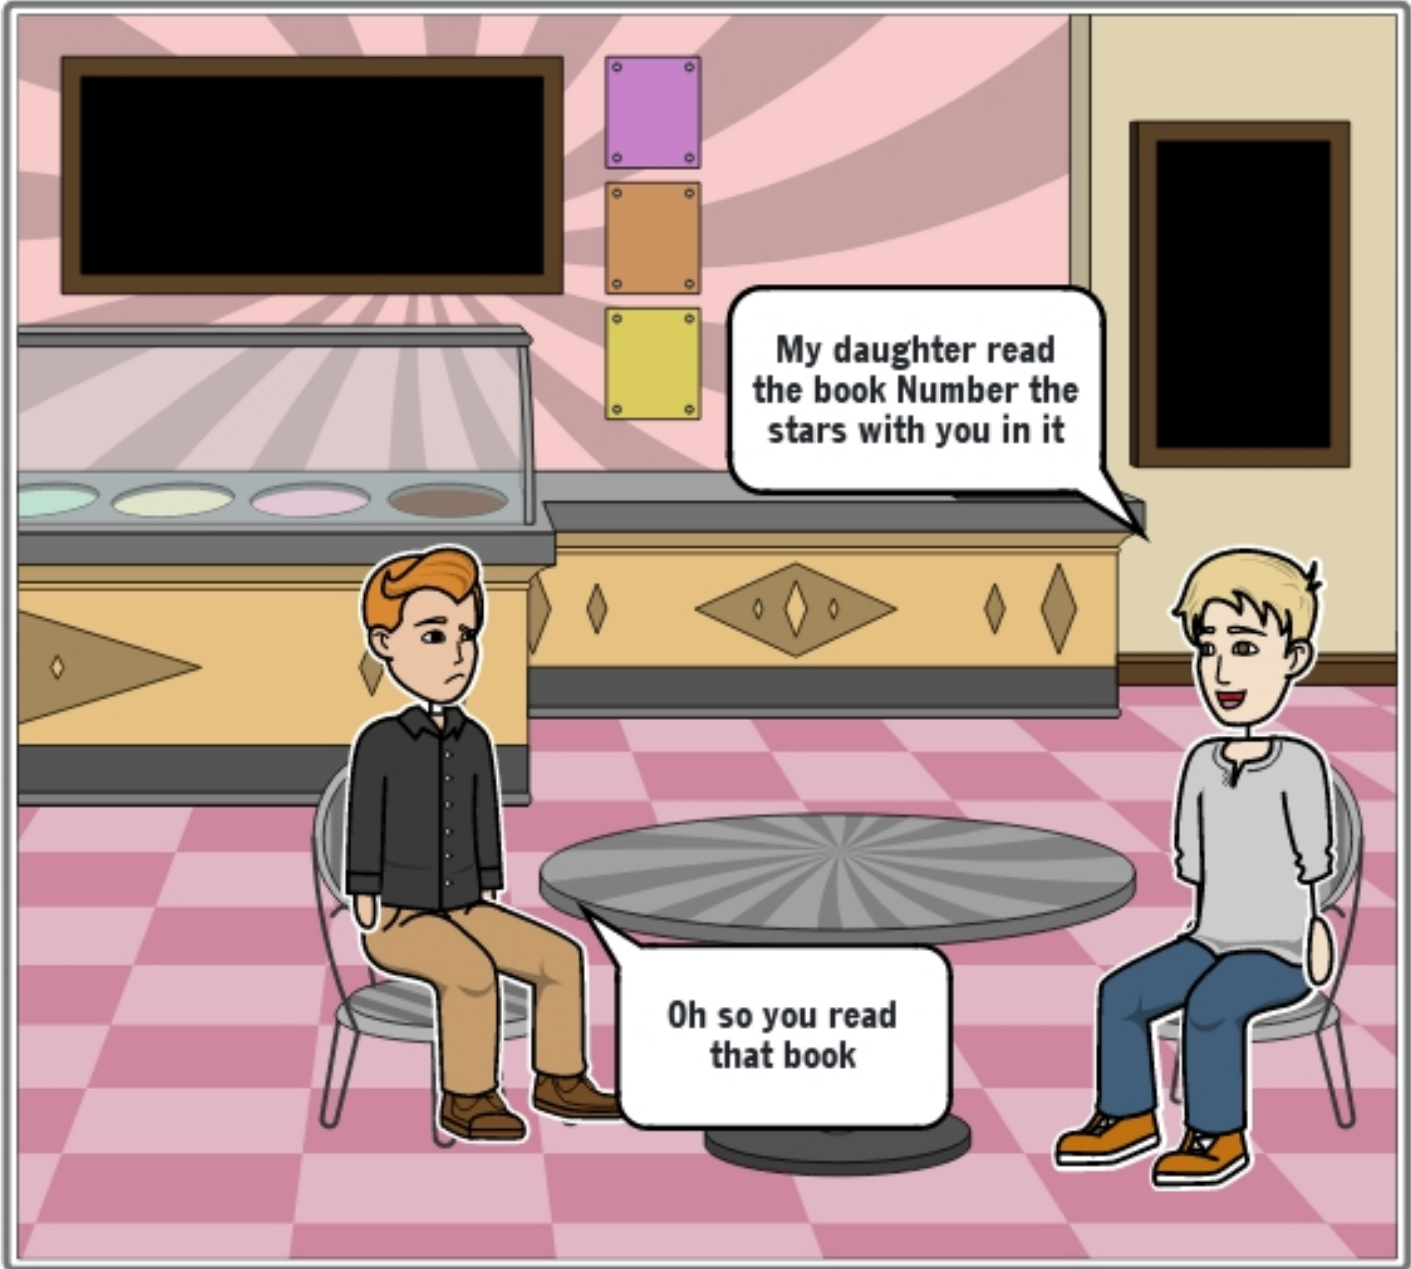

Thank you

Oh, yes you may
take a seat down

Well you made a lot of mistakes in your life

What do you mean? I little while ago you didn't know my name?

**My daughter read
the book Number the
stars with you in it**

**Oh so you read
that book**

I think I sort of understand now. So what do you want to ask me?

I just want to give you advice and a few questions as well.

You should've acted like a mailman delivering magazines instead of lingering in people's houses.

I thought it would be even more suspicious if an unknown mailman delivered stuff.

Here is the news today.

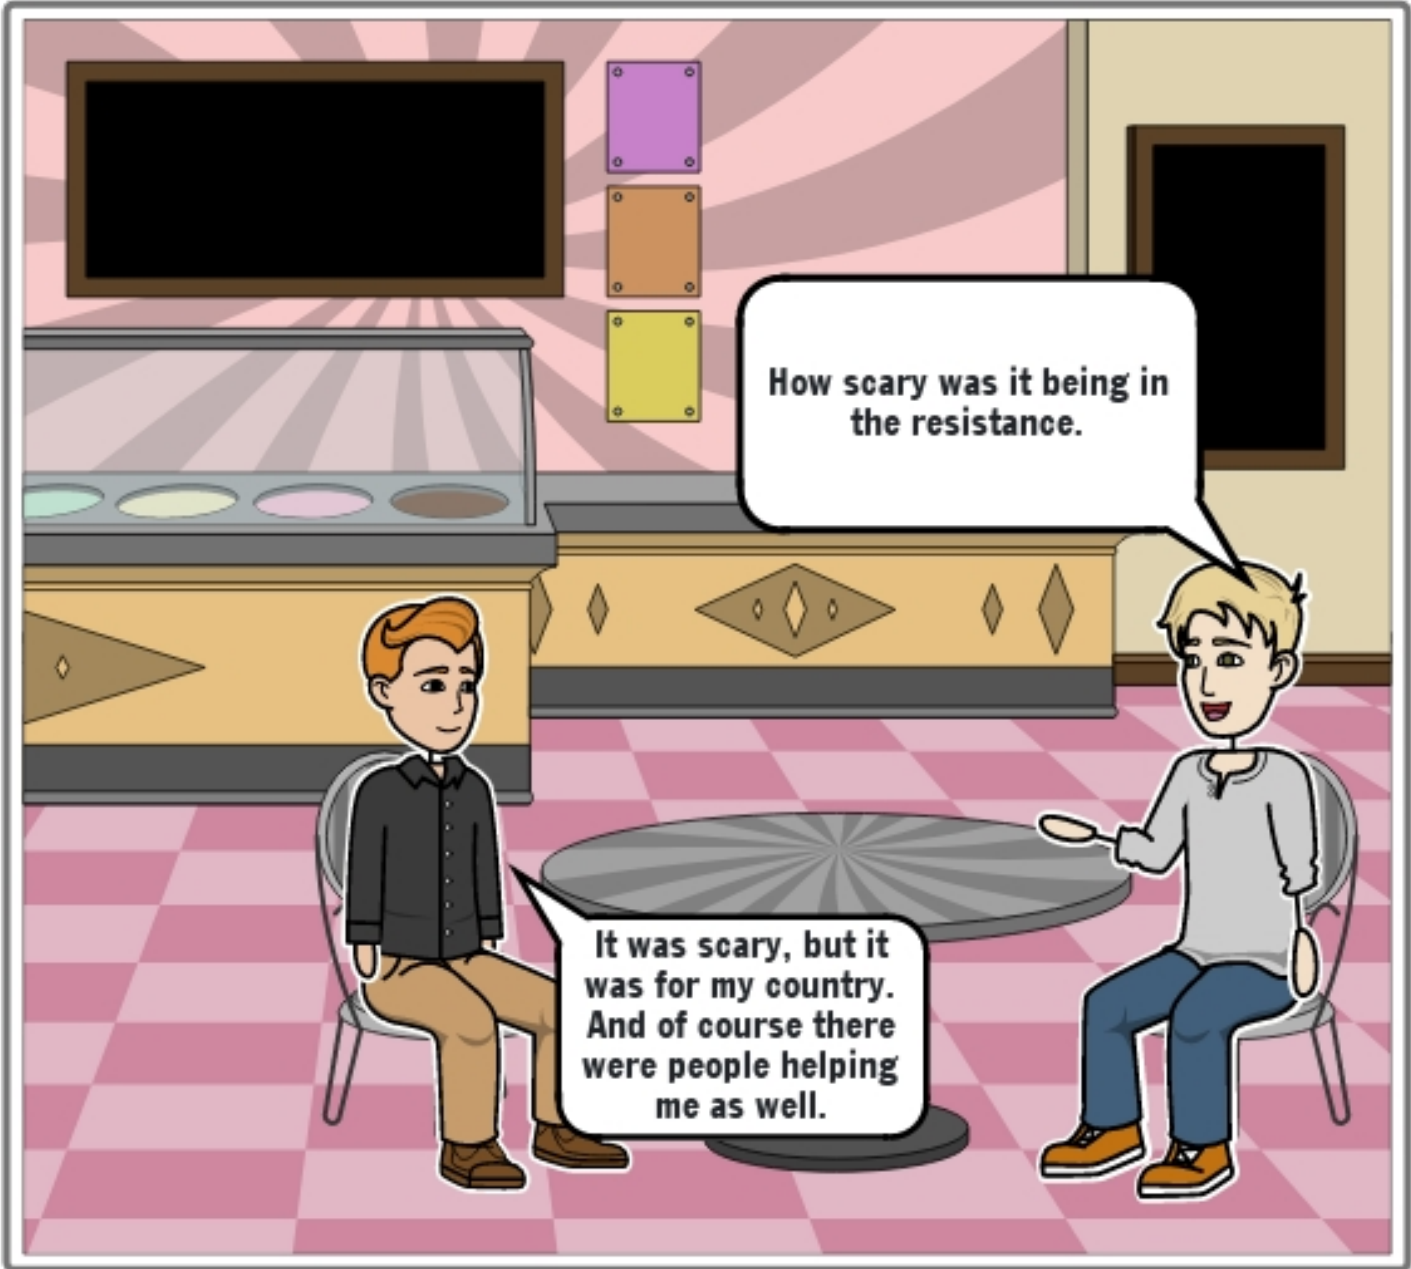

It was very inspiring for you to protect your country. You even died for it.

Thank you

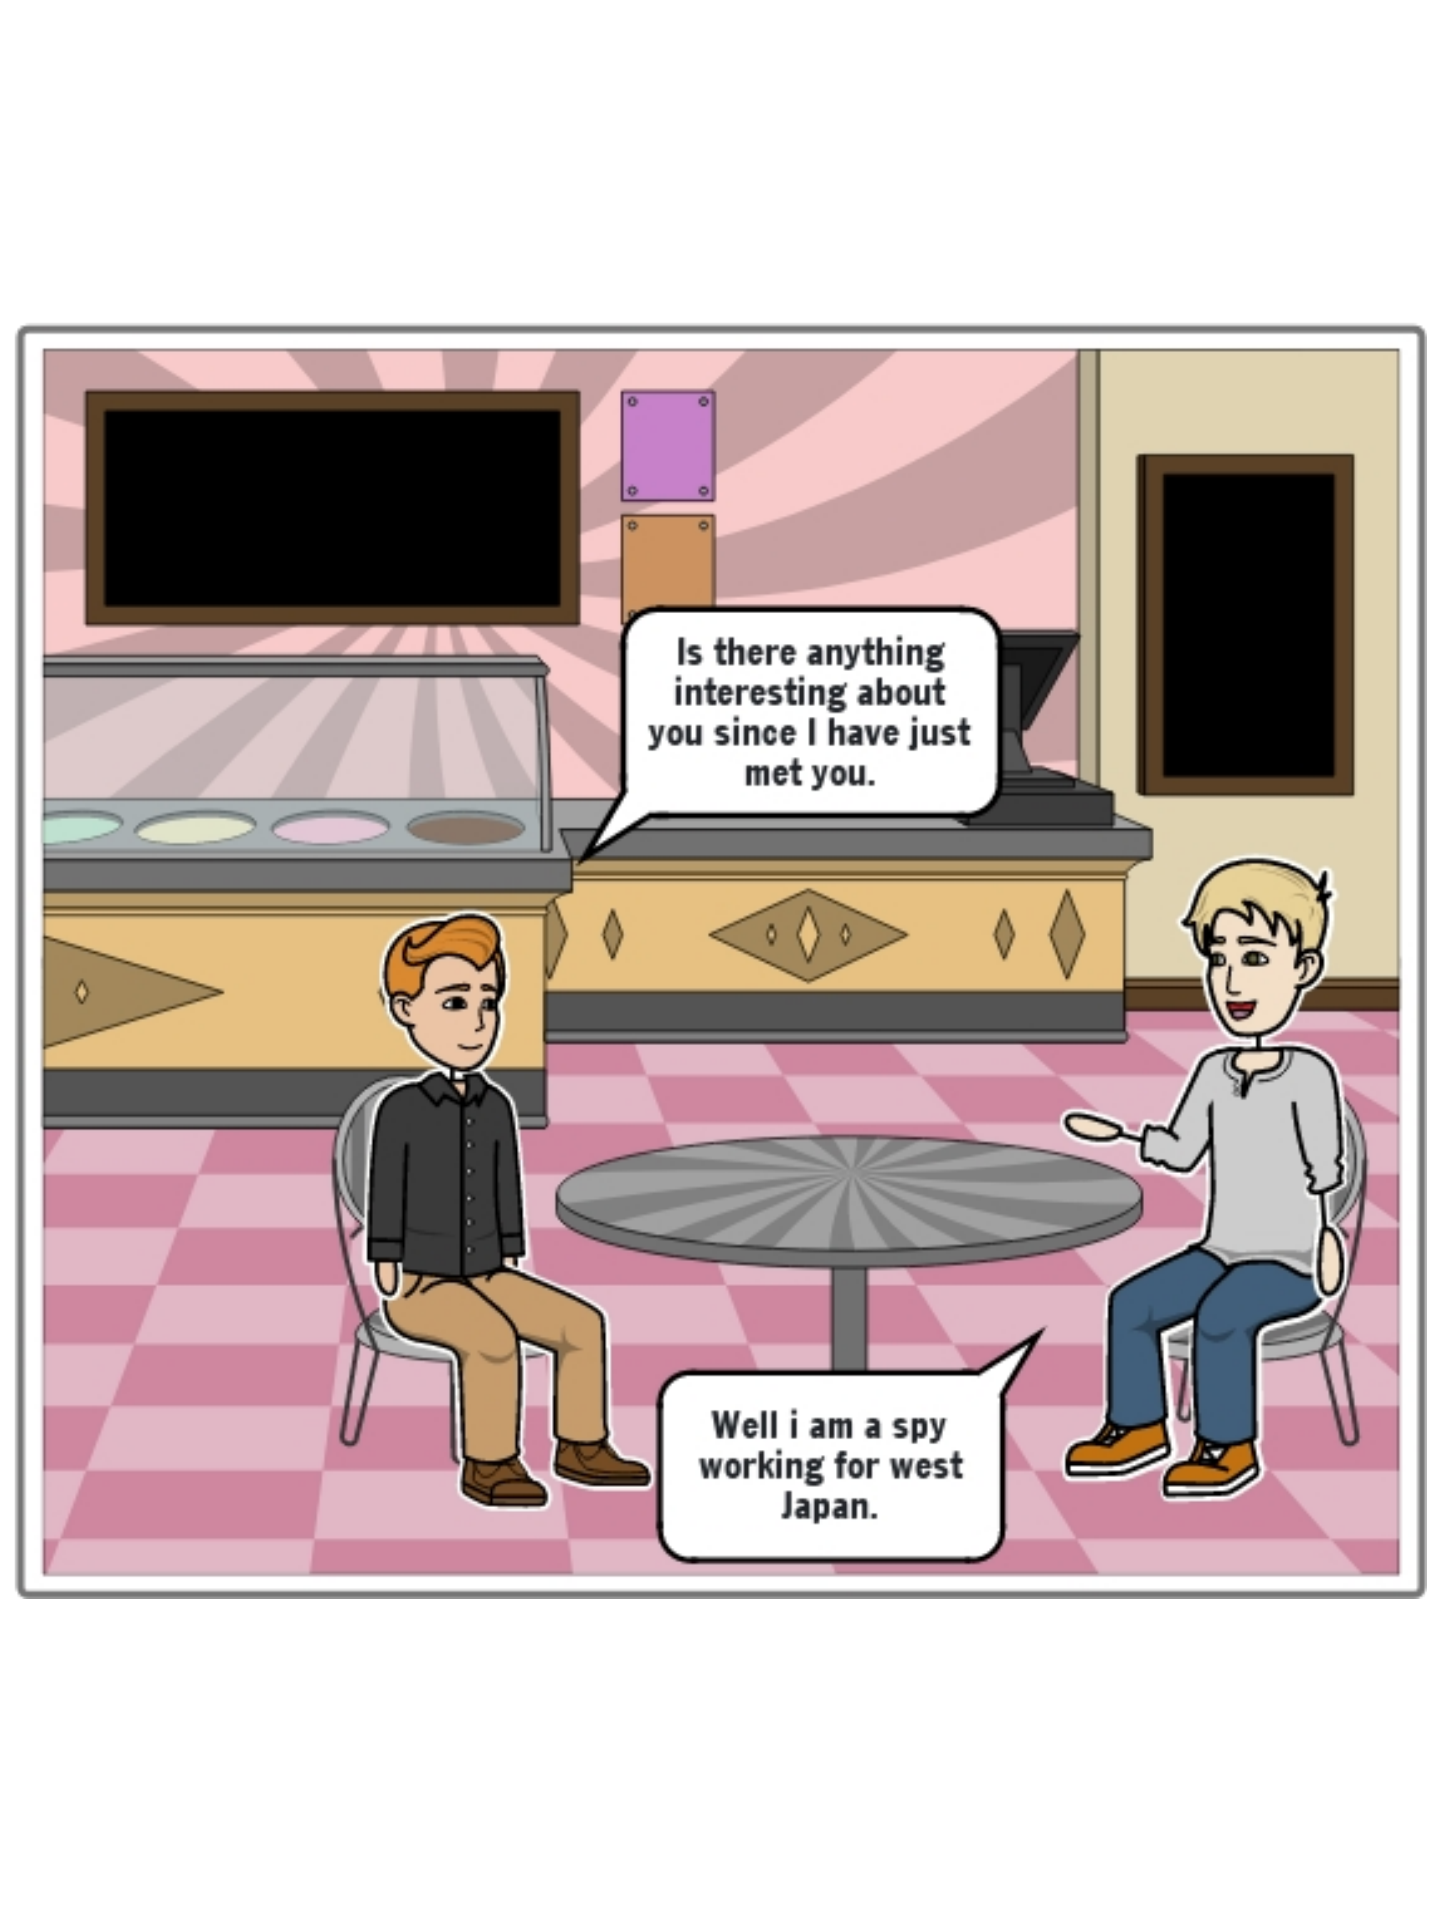

Enough about me
lets talk about your
life

Sure

How scary was it being in the resistance.

It was scary, but it was for my country. And of course there were people helping me as well.

Is there anything interesting about you since I have just met you.

Well i am a spy working for west Japan.

HEY STOP RIGHT THERE!

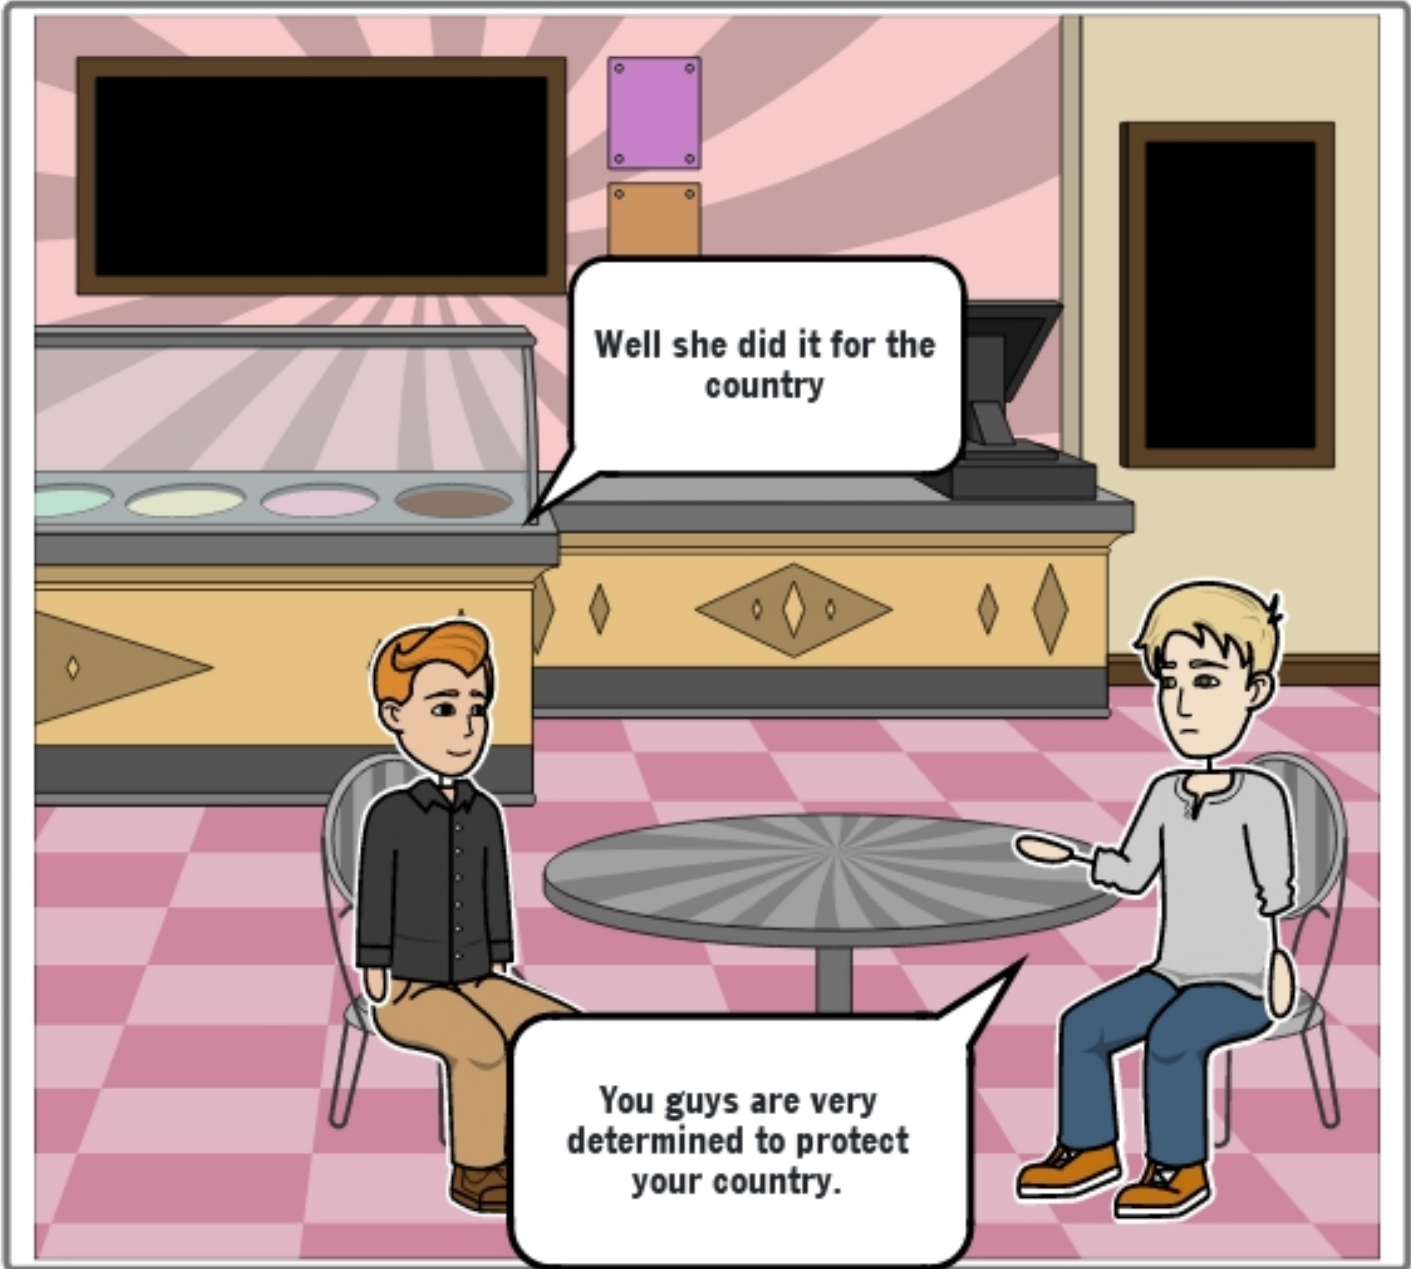

I have a family and wife and a child.

Oh good for you

She is not with us anymore.

Oh-sorry for your loss

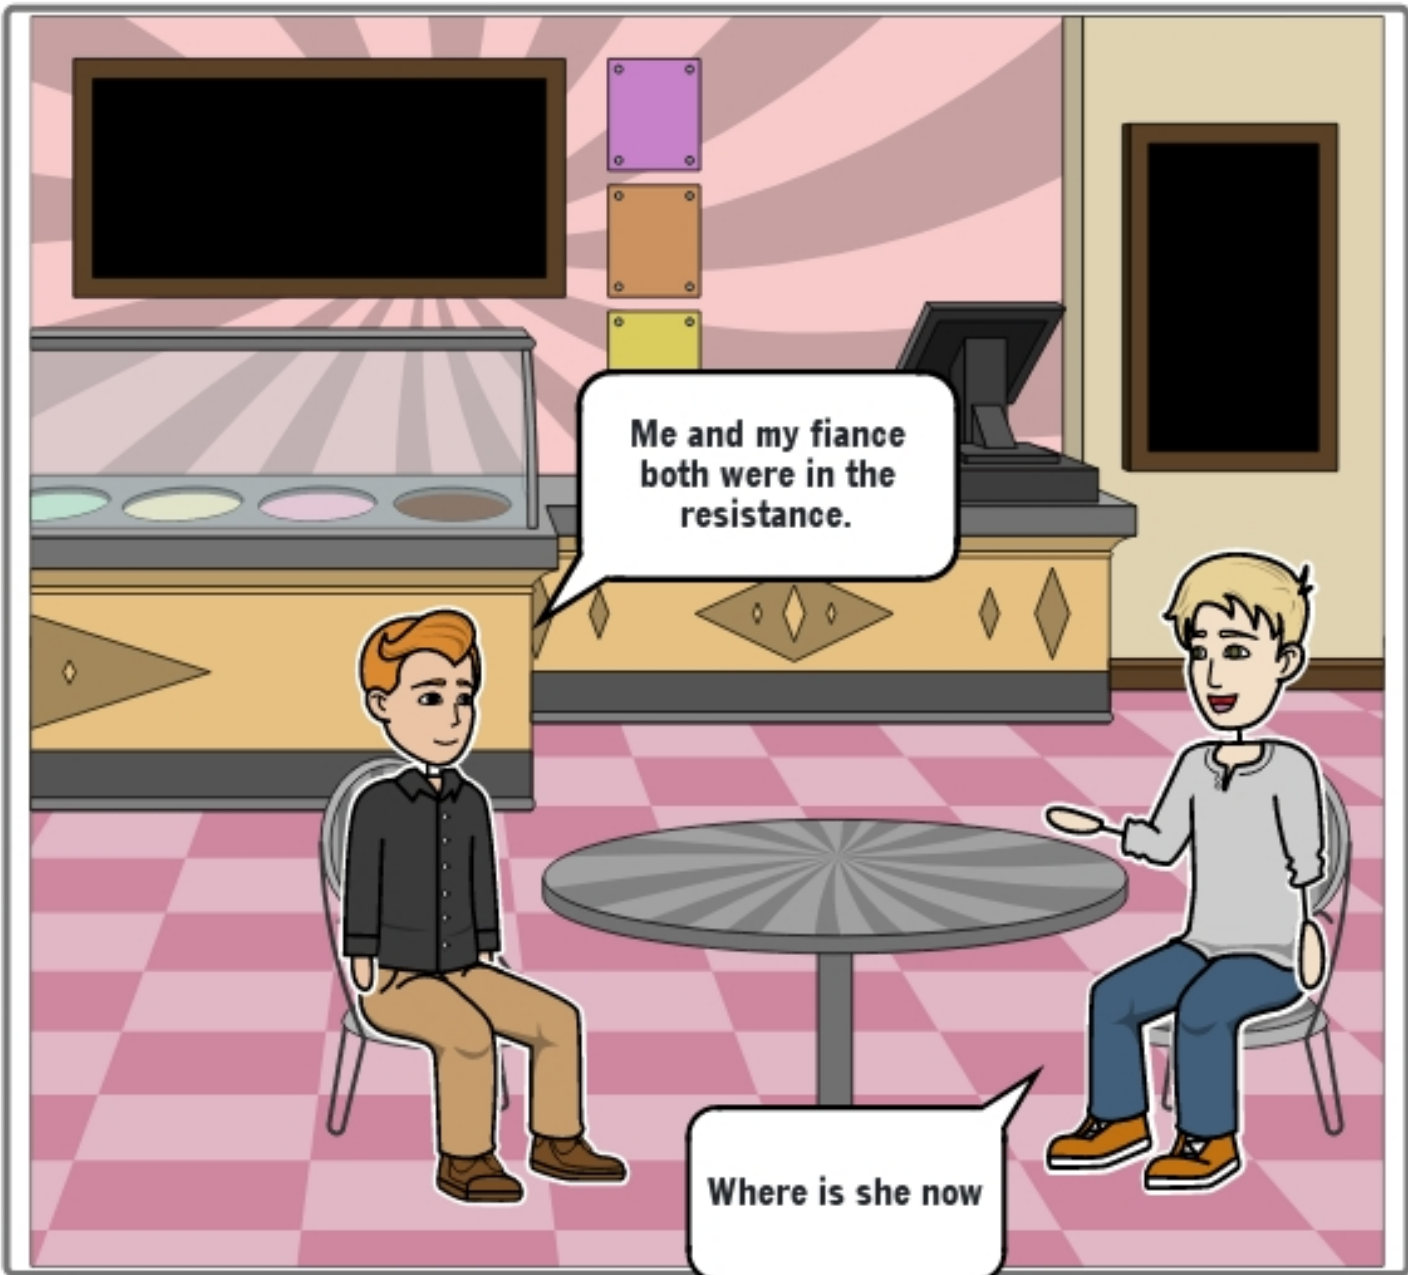

Well she did it for the country

You guys are very determined to protect your country.

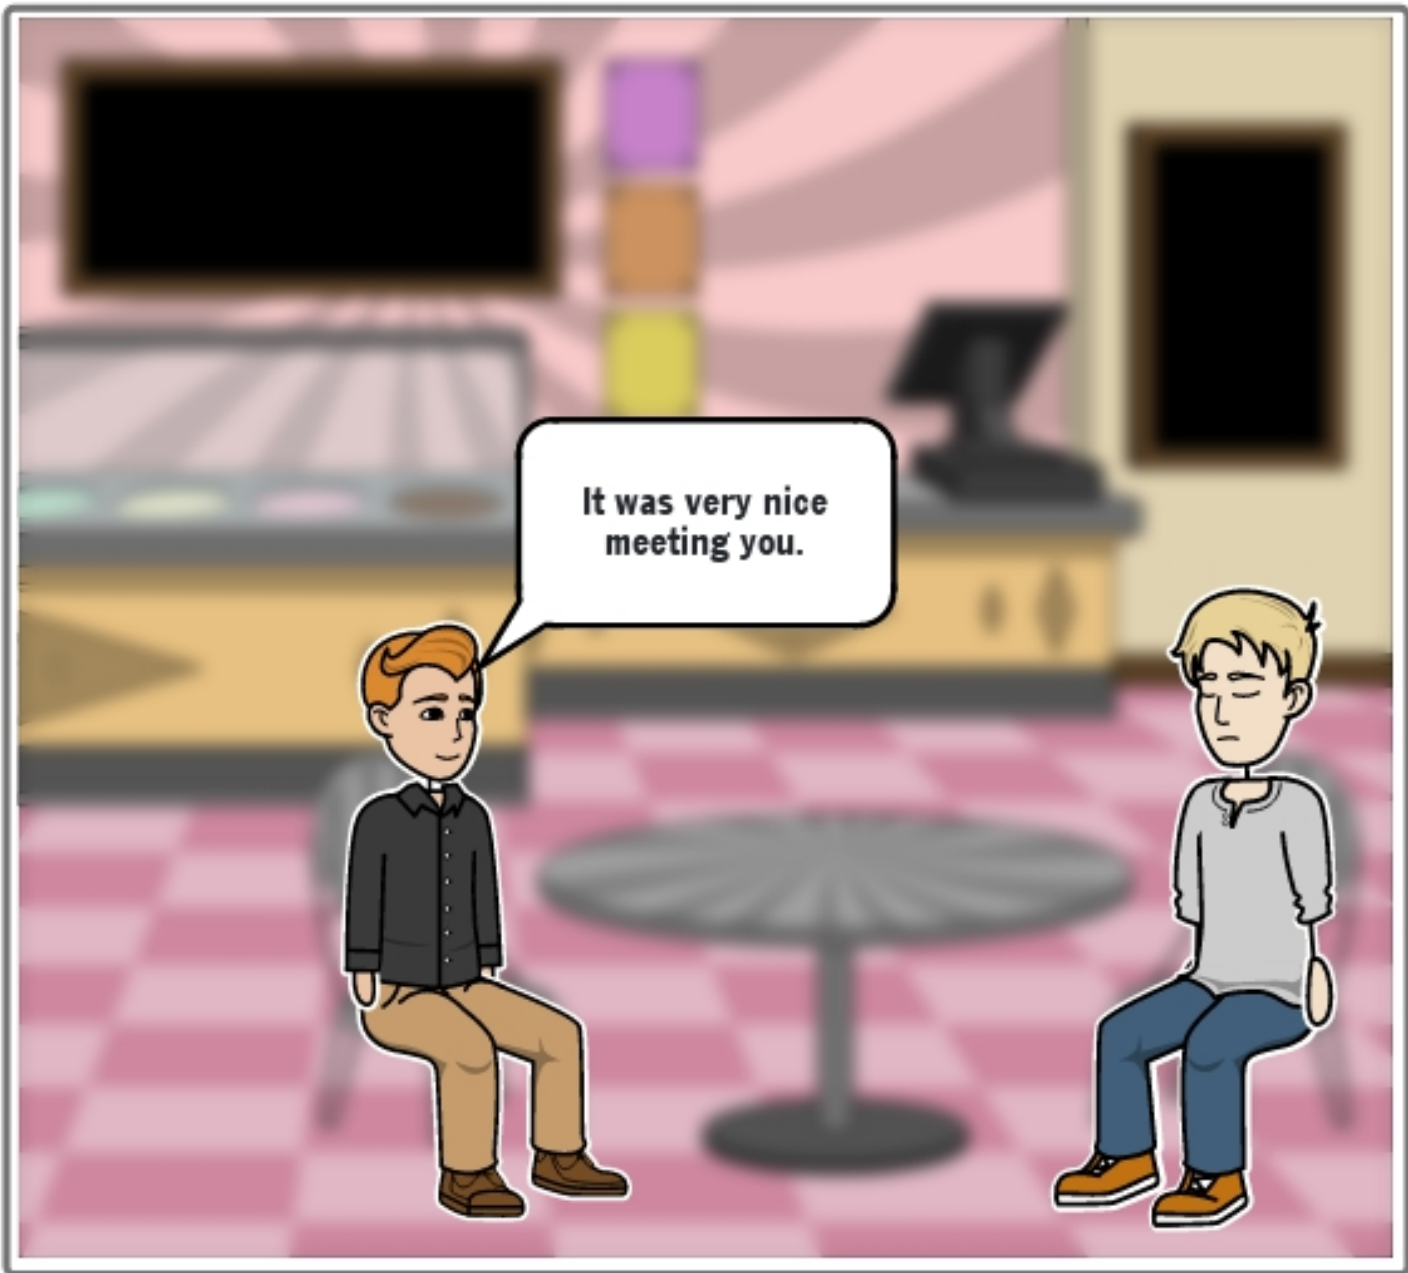

**You and the other
members seem very nice
and happy for your
country.**

Thank you.

Me and my fiance
both were in the
resistance.

Where is she now

It was very nice
meeting you.

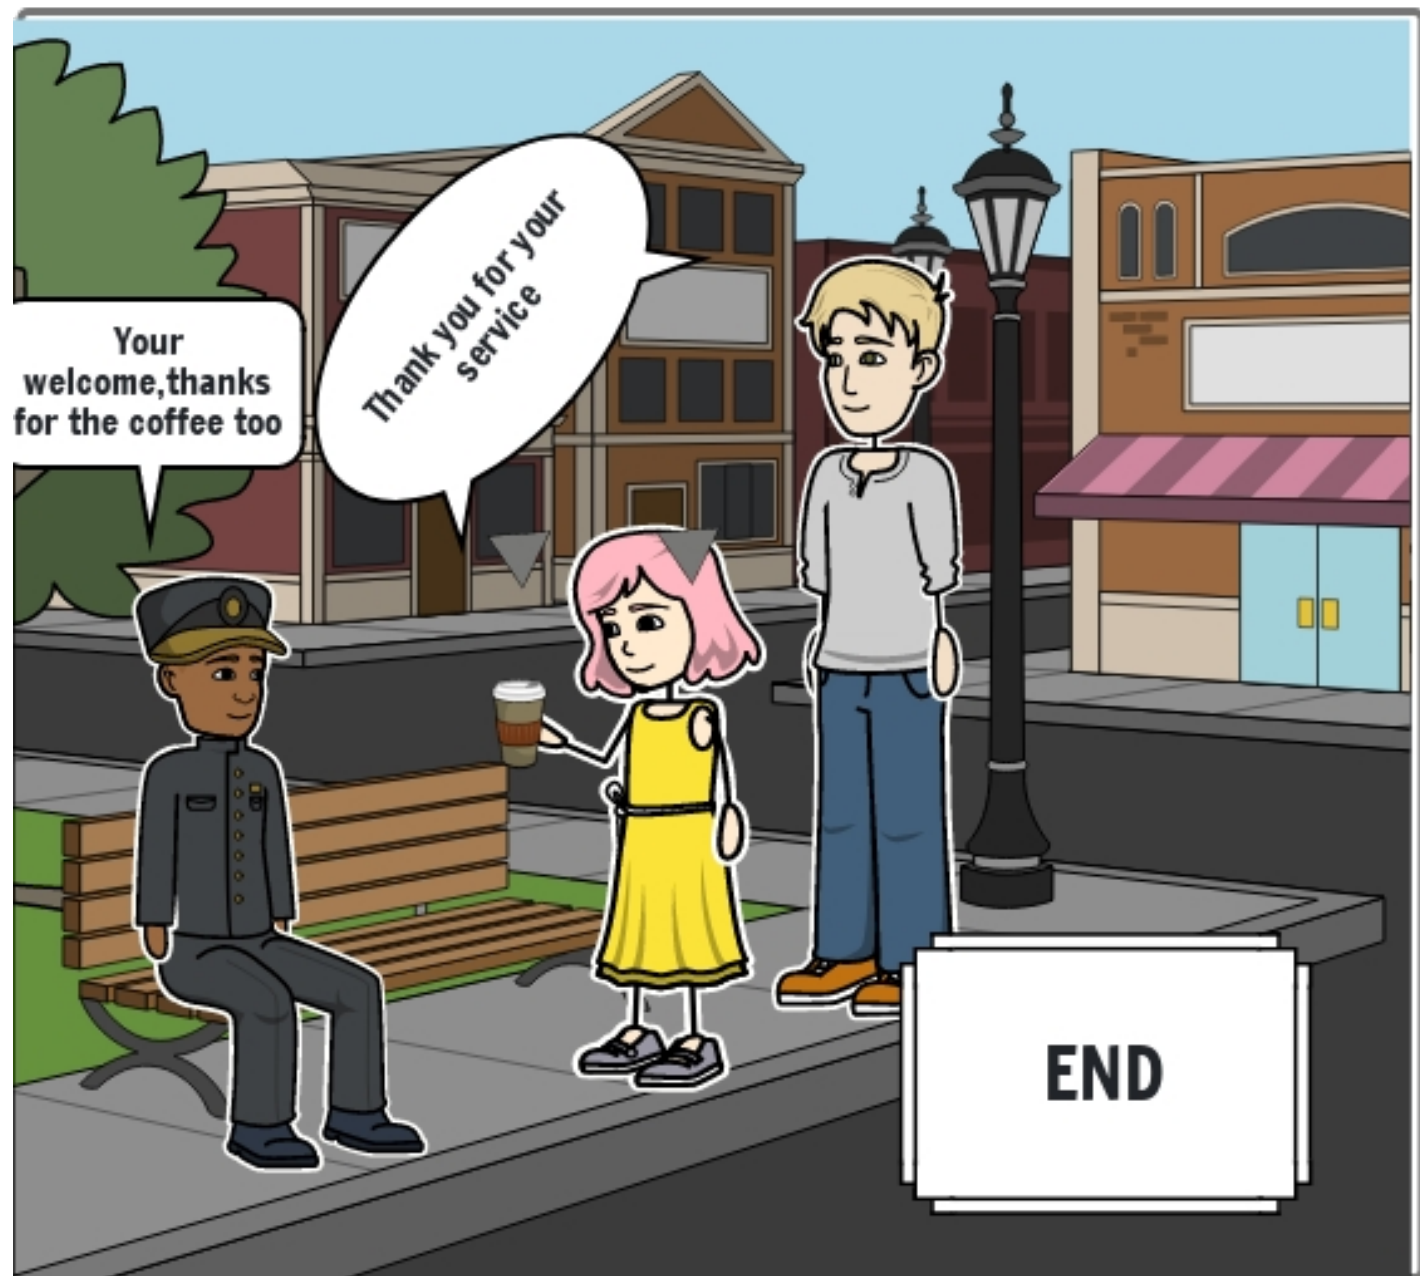

Wake up dad!

Good morning
what do you
want to do
today

I don't know.

Let's give
back to the
community!

Sounds good!

Your welcome, thanks for the coffee too

Thank you for your service
