Hi, I'm Peter.

I'm Eleven.

You know, your more like me then you think.

**What!? No I'm not!
you saved the
world and your
friends and family!**

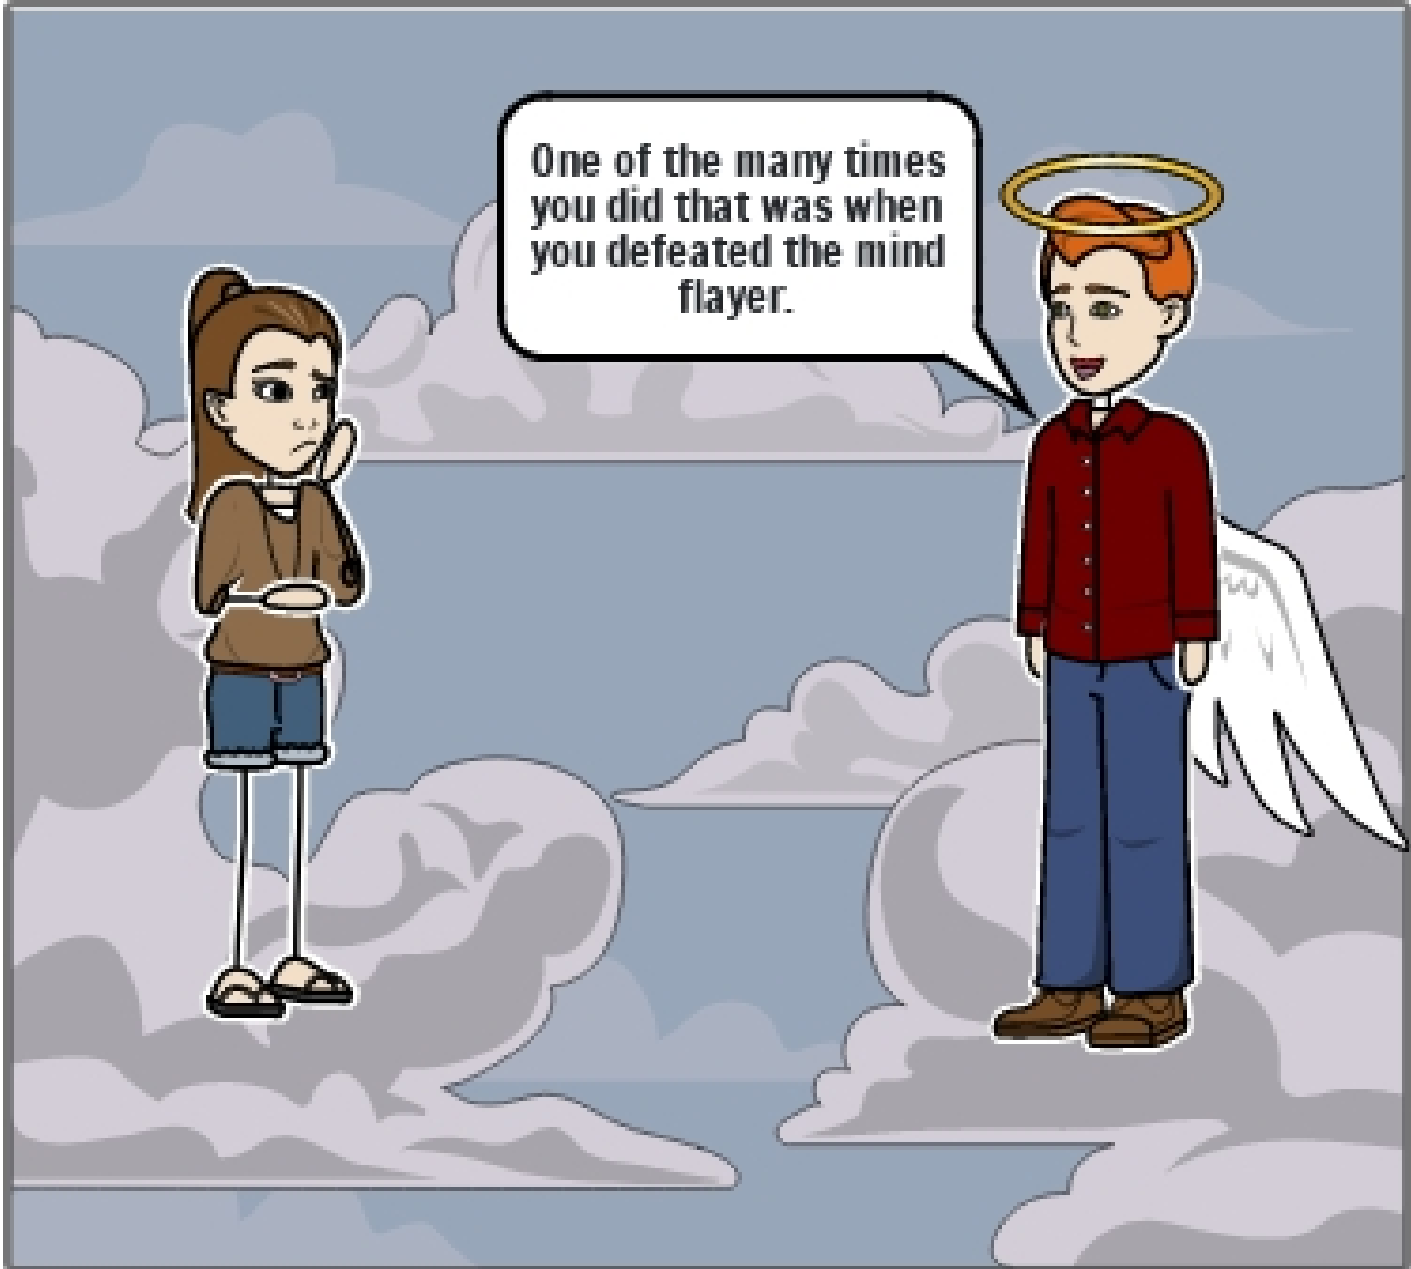

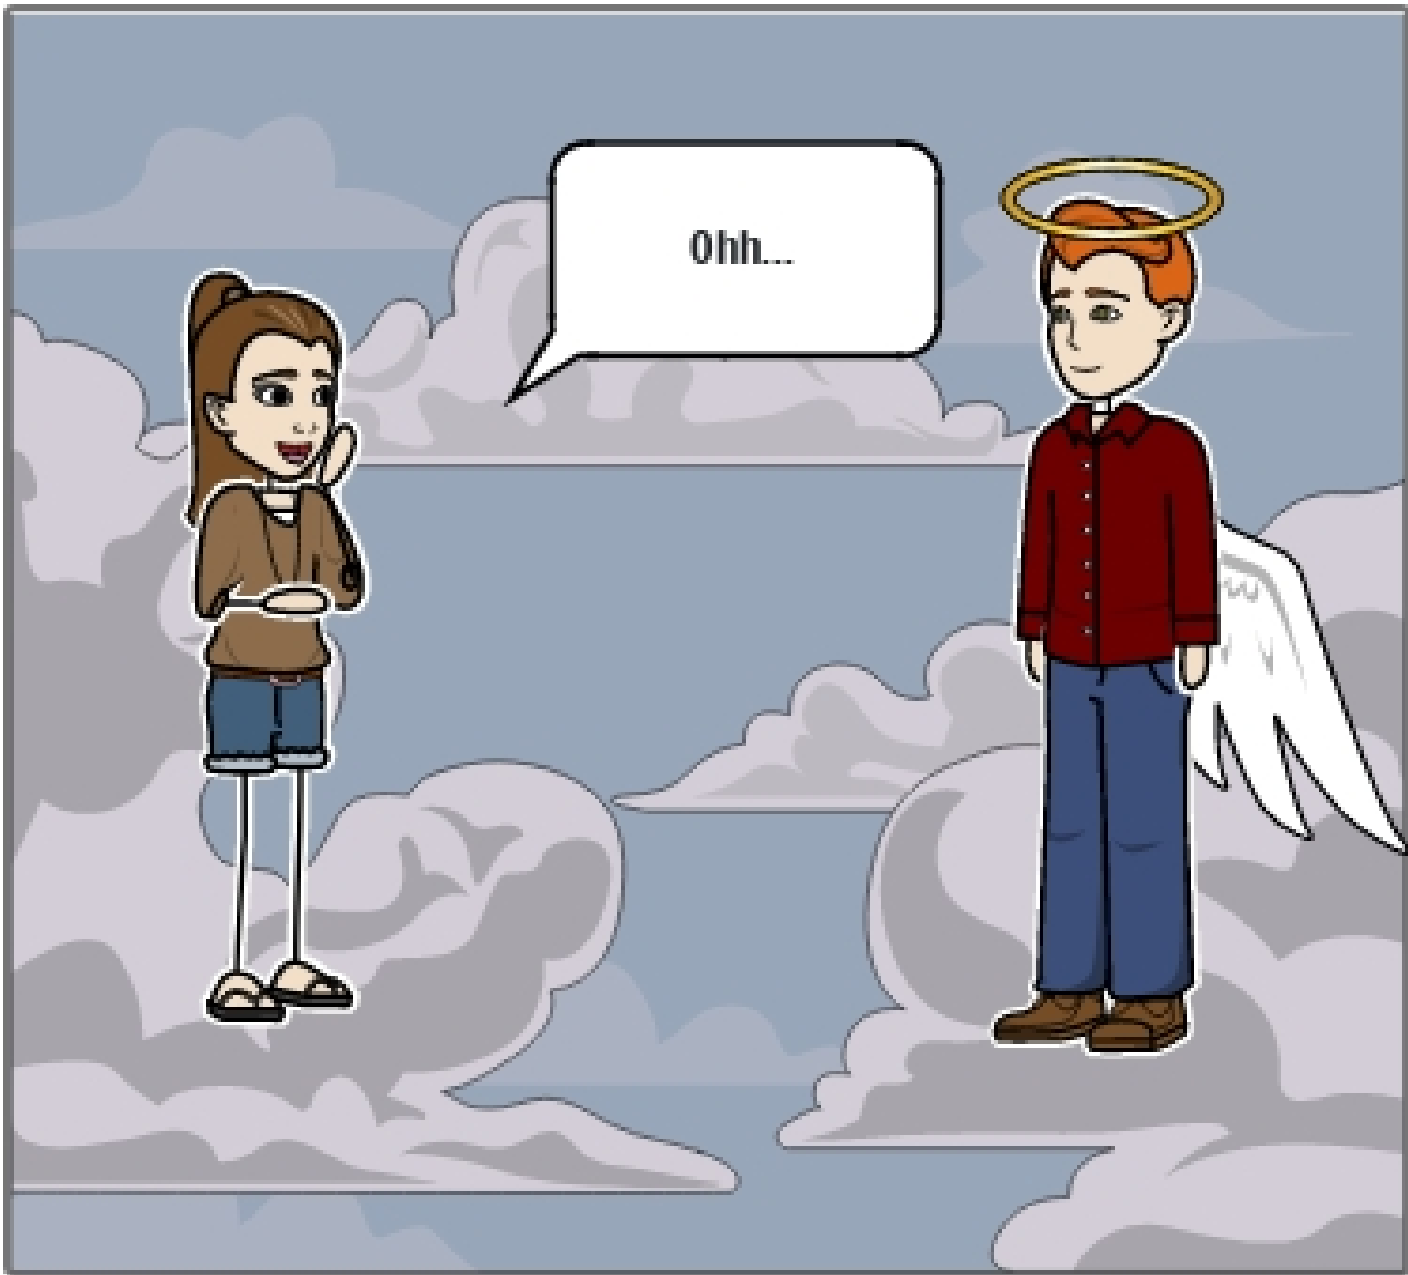

But you did too though.

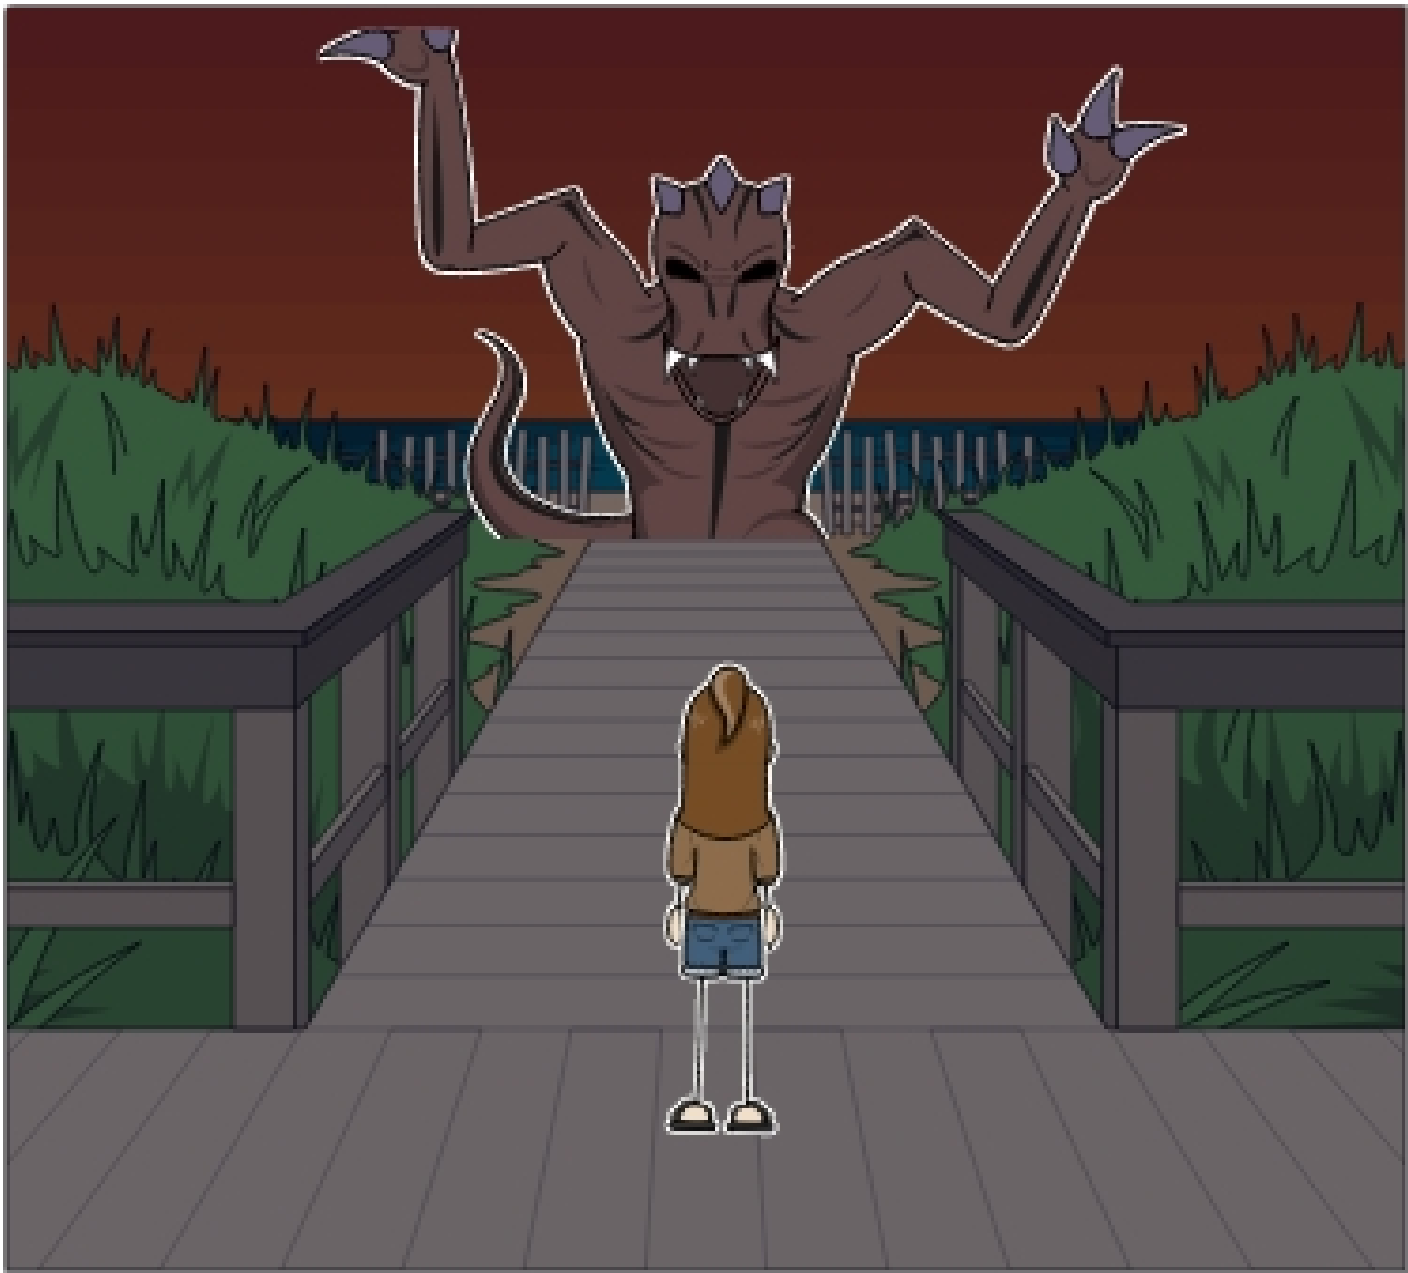

But when?

One of the many times
you did that was when
you defeated the mind
flayer.

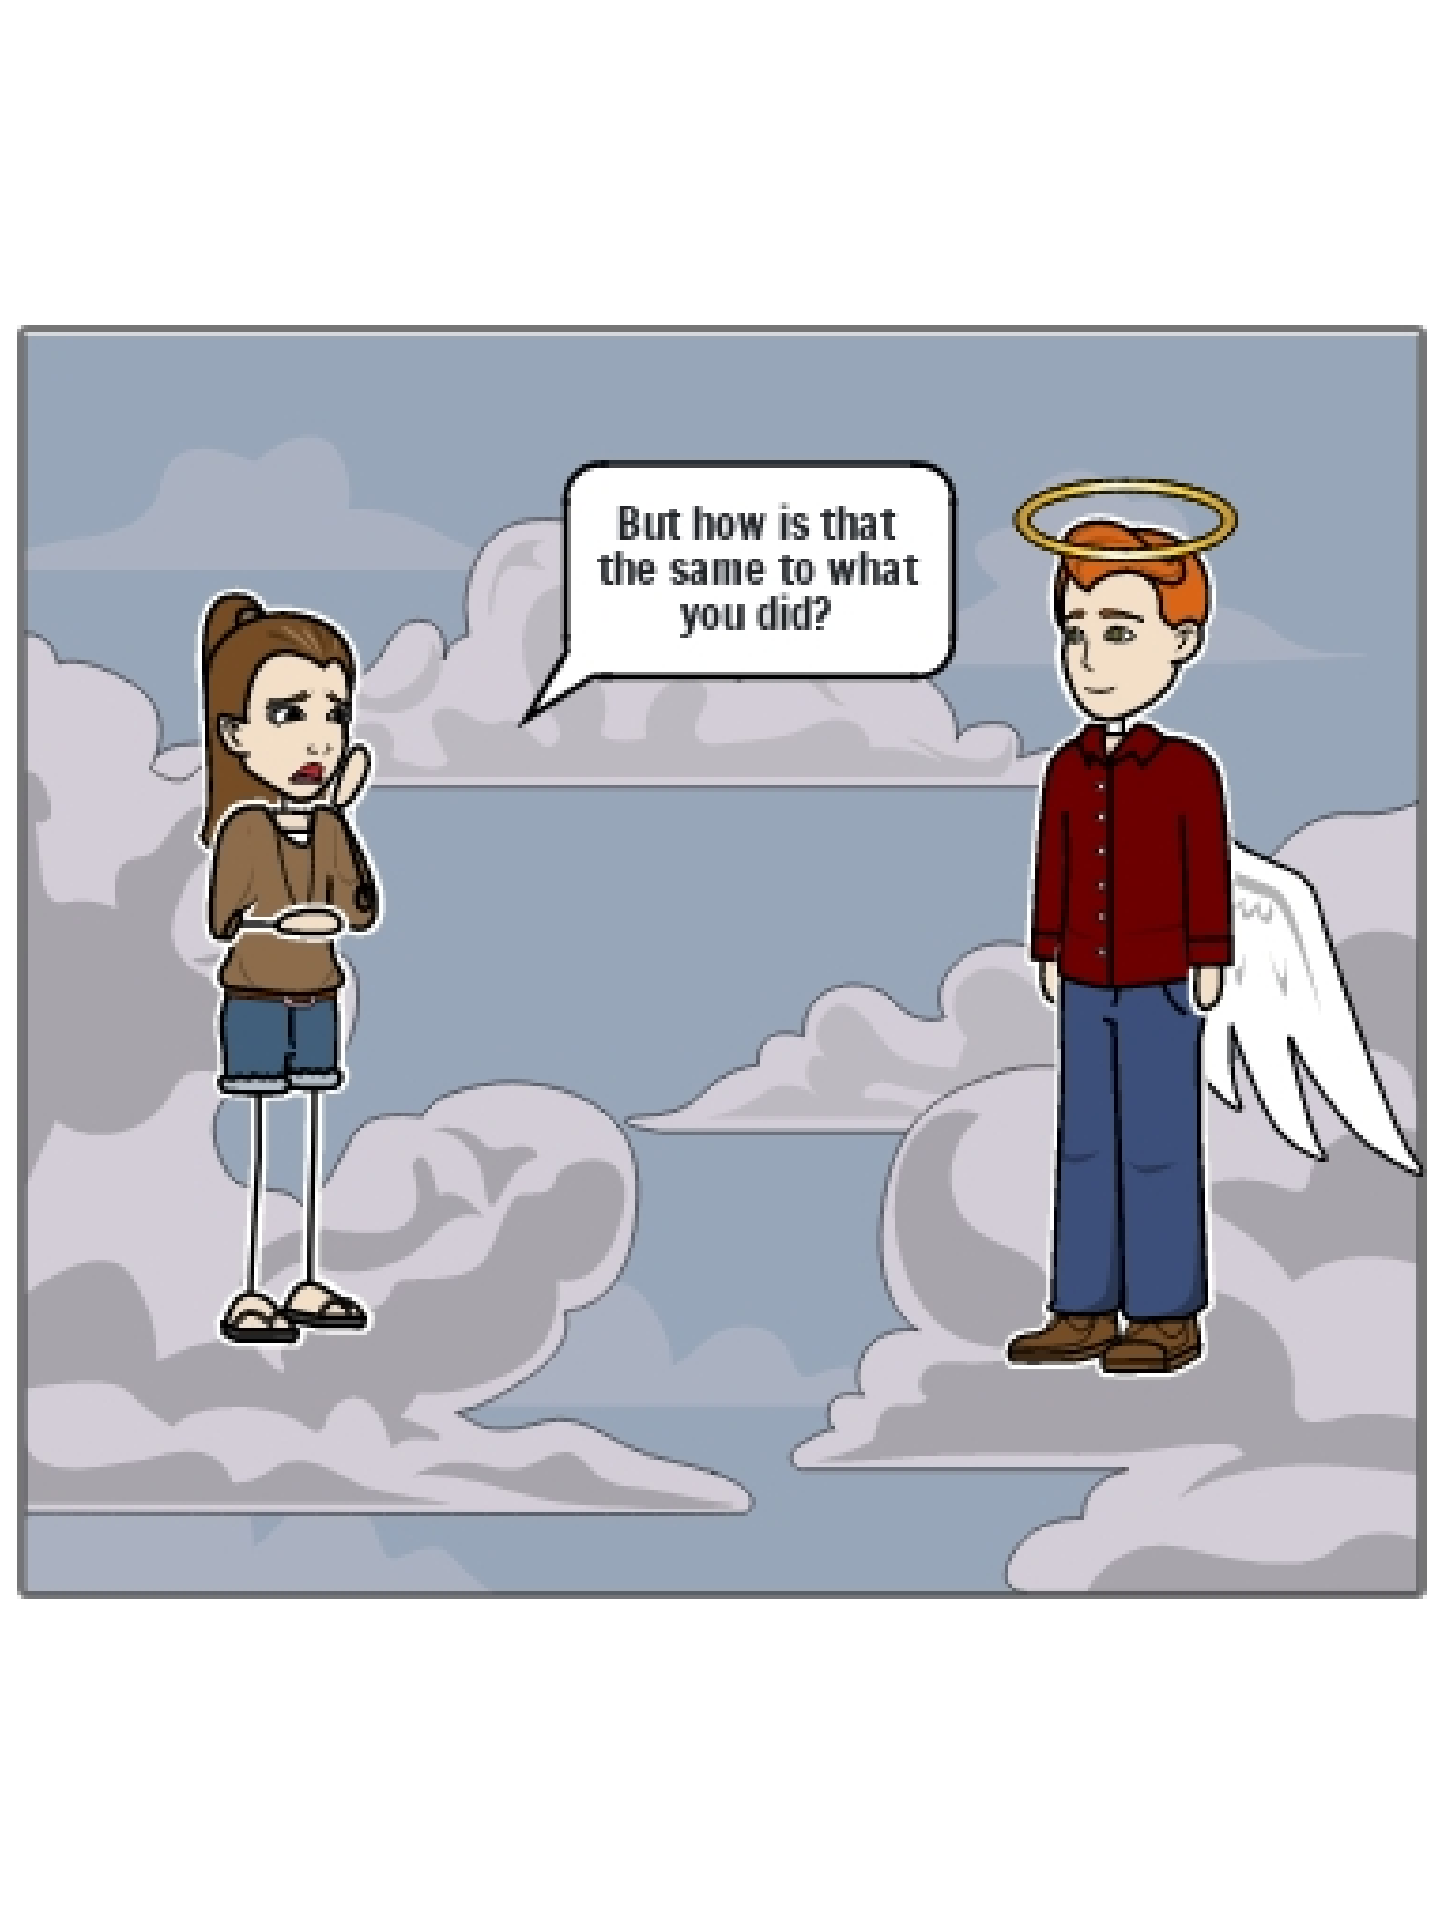

Ohh...

Ohh. I forgot I did that!

But how is that
the same to what
you did?

Well I also saved
my family and the
world at the same
time too.

Ya, but that one thing
we both did. how are
we the same?

Well, we both also sacrificed ourselves.

I sacrificed myself to save my family.

**And you have
sacrificed yourself a
number of time to
save your friends
and family.**

And you saved
the most
important person
of all.

A cartoon illustration set in a sky filled with grey and white clouds. On the left, a woman with brown hair in a ponytail, wearing a brown sweater and blue shorts, stands on a pair of tall, thin white stilts. She has a questioning expression. On the right, an angel with red hair, a golden halo, and white wings stands wearing a red button-down shirt and blue pants. A speech bubble originates from the woman, containing the text:

Your the most
imported person you
