Your life was just tragic

It was hard living

I know what it feels
like because I'm
black and we didn't
have any rights

Let's talk a walk
around town

Did you have to talk in front of a lot of people to fight for rights

No I didn't I did everything secret and I was on the run and I was hiding all the time

Wow that must have been super hard because I am famous and all I did is a speech and people listened to

Wow so it was kind of easy

Yeah it really is

This is a beautiful site

This reminds me of the day I fought for rights for people because I just felt amazing after that

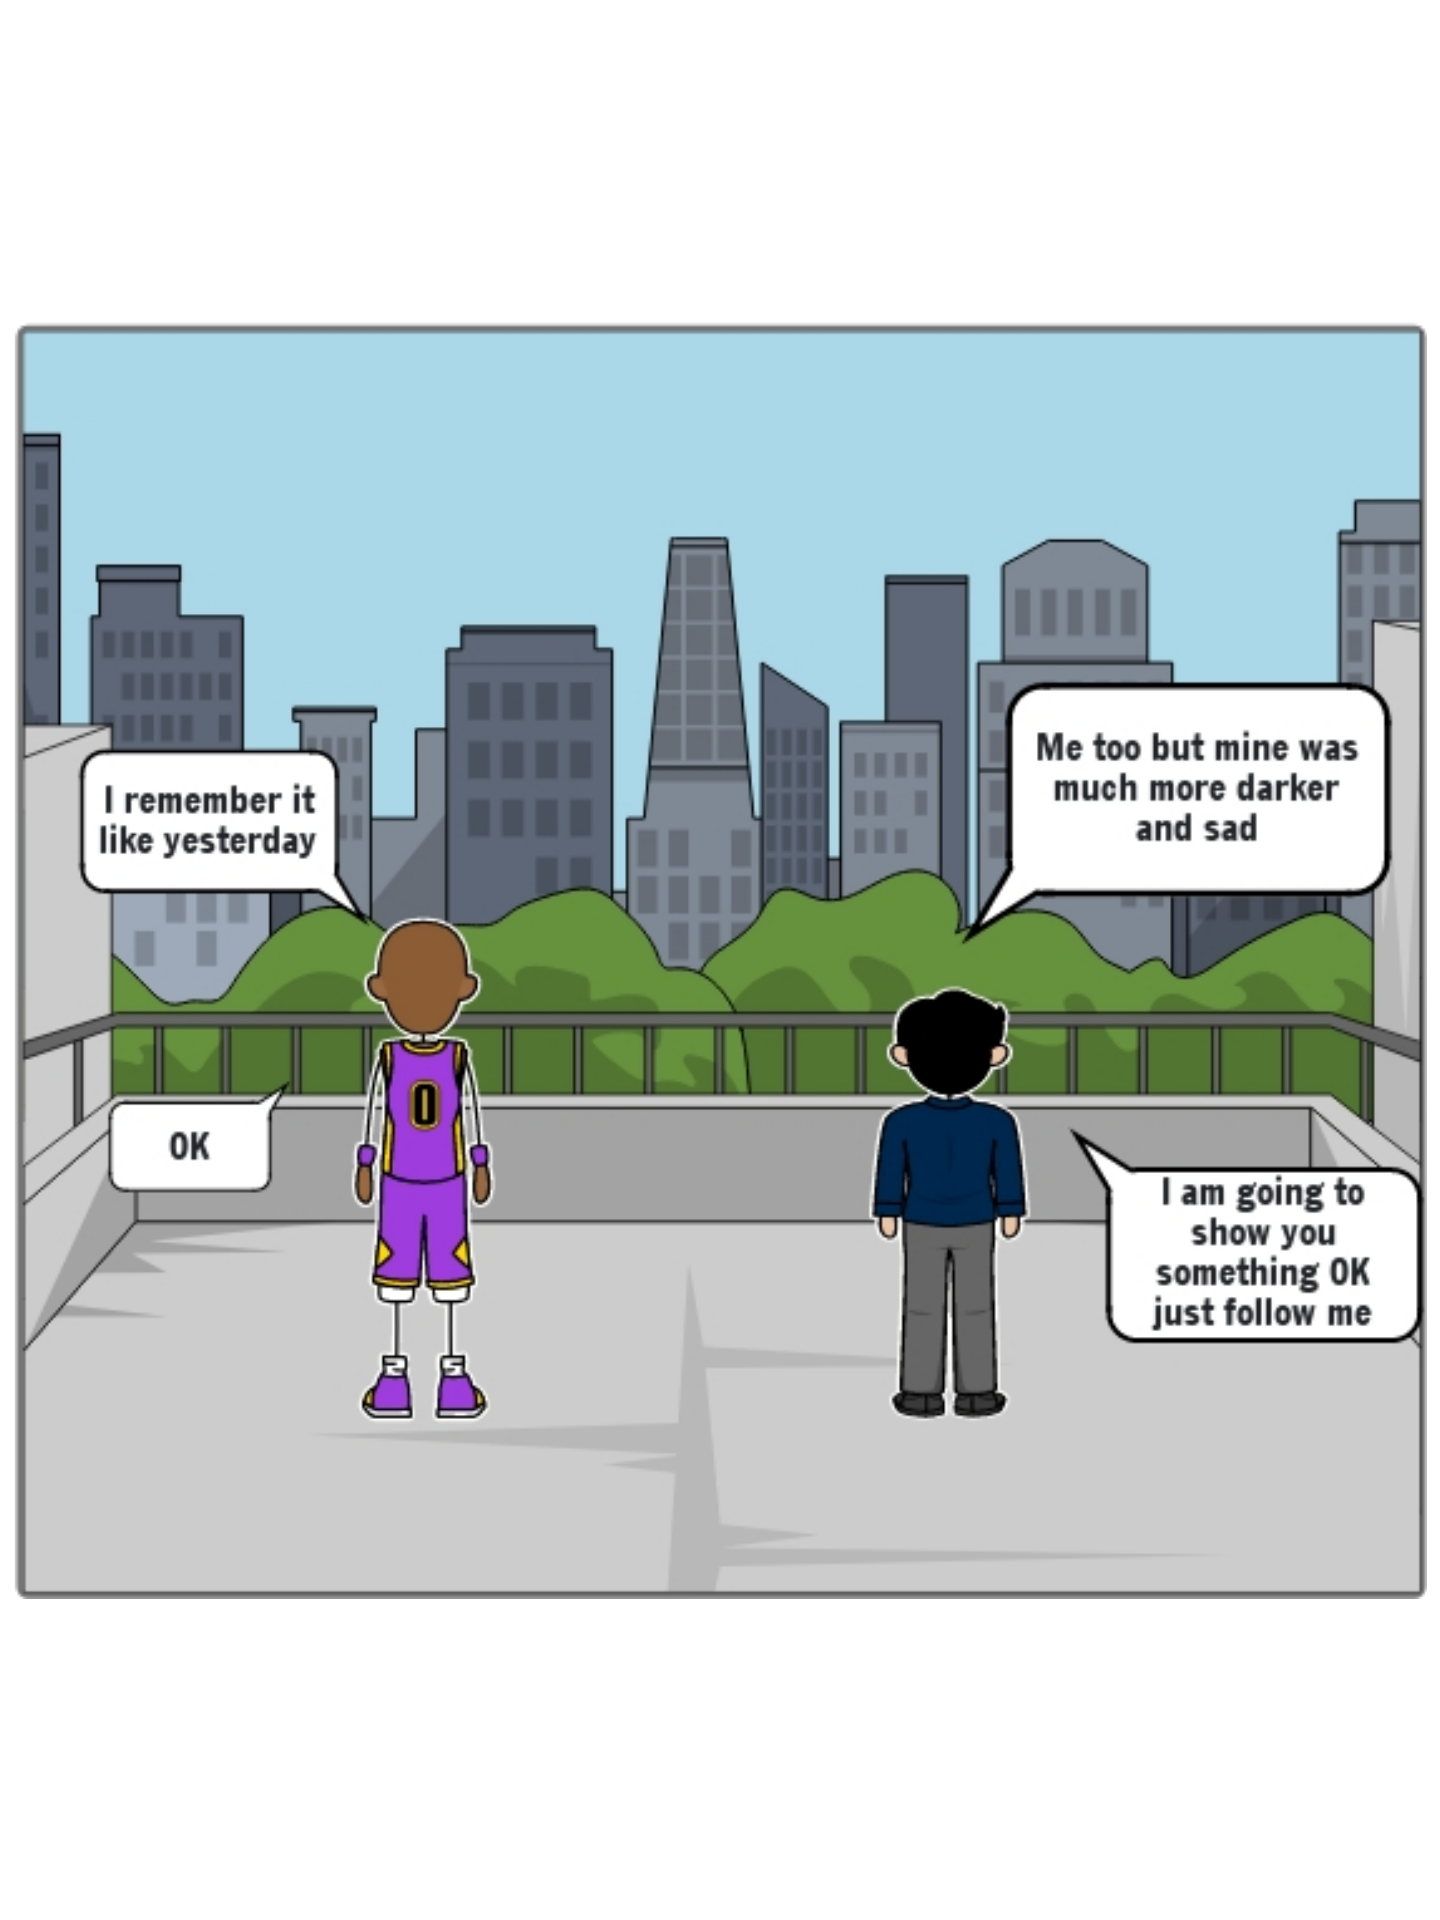

Yeah

**I think that
everything has
been covered
thanks to Kareem**

Thank you

**I believe that
everyone should
have rights
because
