

This is where it all started  
in jail...

I can not believe that  
someone would not give  
up their seat on the bus  
like who is crazy enough  
to do that.

I know like what  
was she thinking  
who does that.

this was the time  
when rosa parks  
went to jail

This is  
stupid I  
should  
have  
rights!

zzzzzzzzzz

~goes in to dream~

~ fall asleep  
in a dream ~

In dream

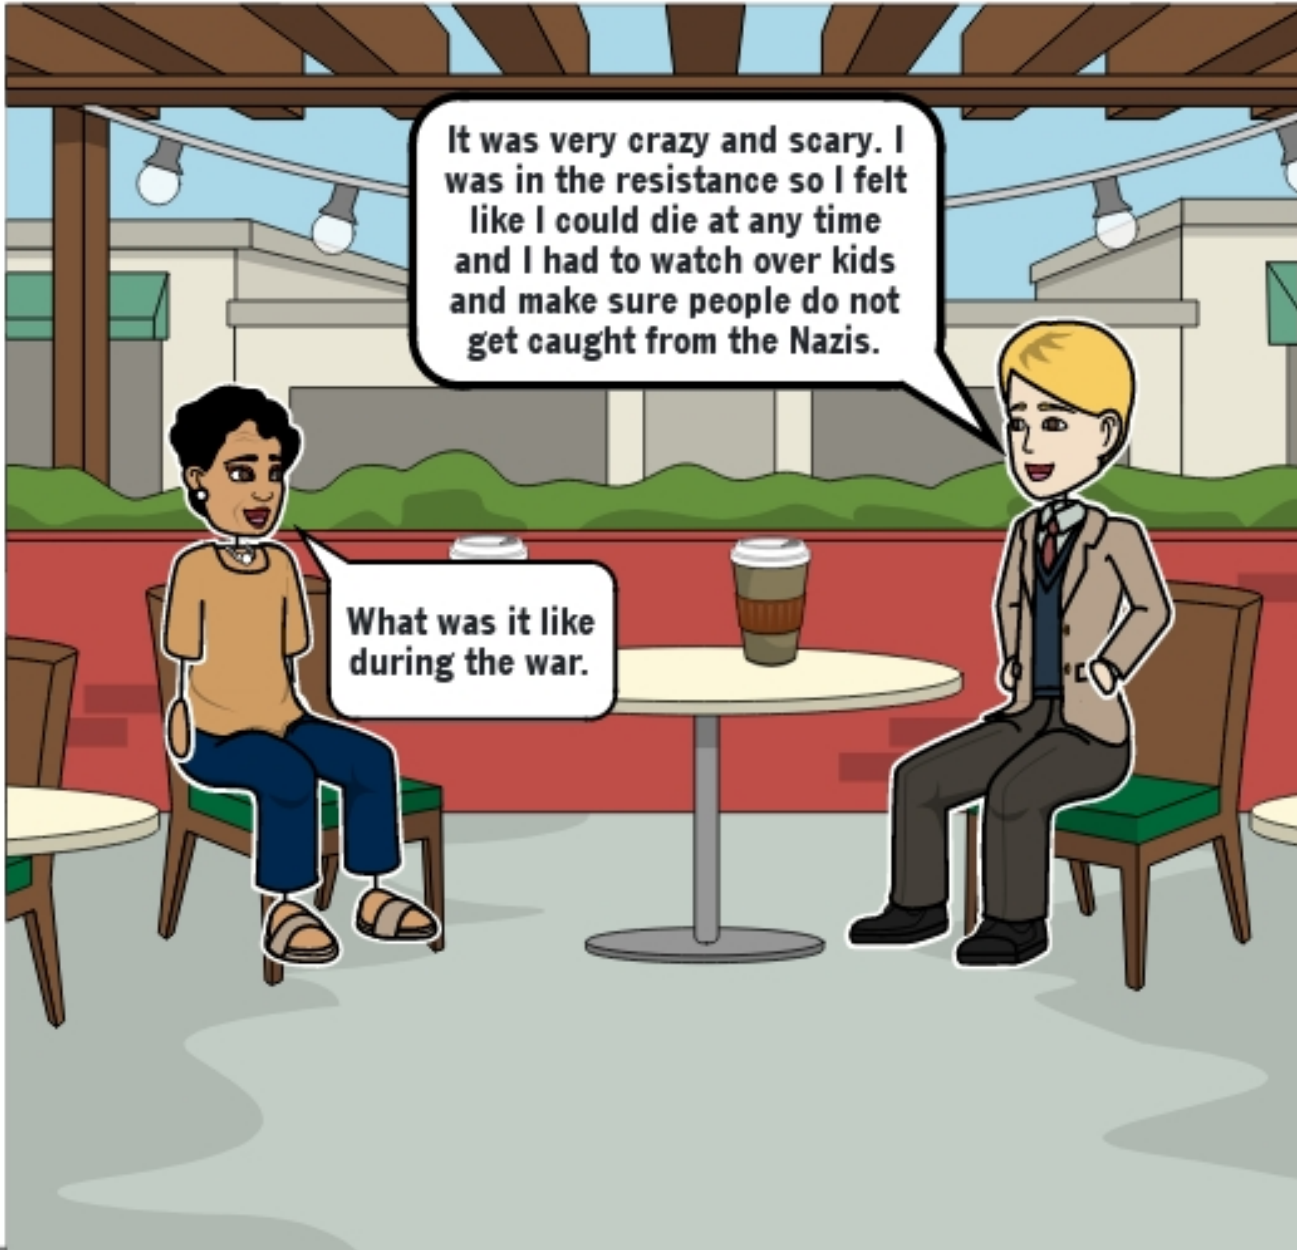

Yes it is me Rosa Parks. I have heard what you have done for rights and I am very impressed.

Is that you Peter Nielsen. I have read about you in a book

Thank you so much

What was it like during the war.

It was very crazy and scary. I was in the resistance so I felt like I could die at any time and I had to watch over kids and make sure people do not get caught from the Nazis.

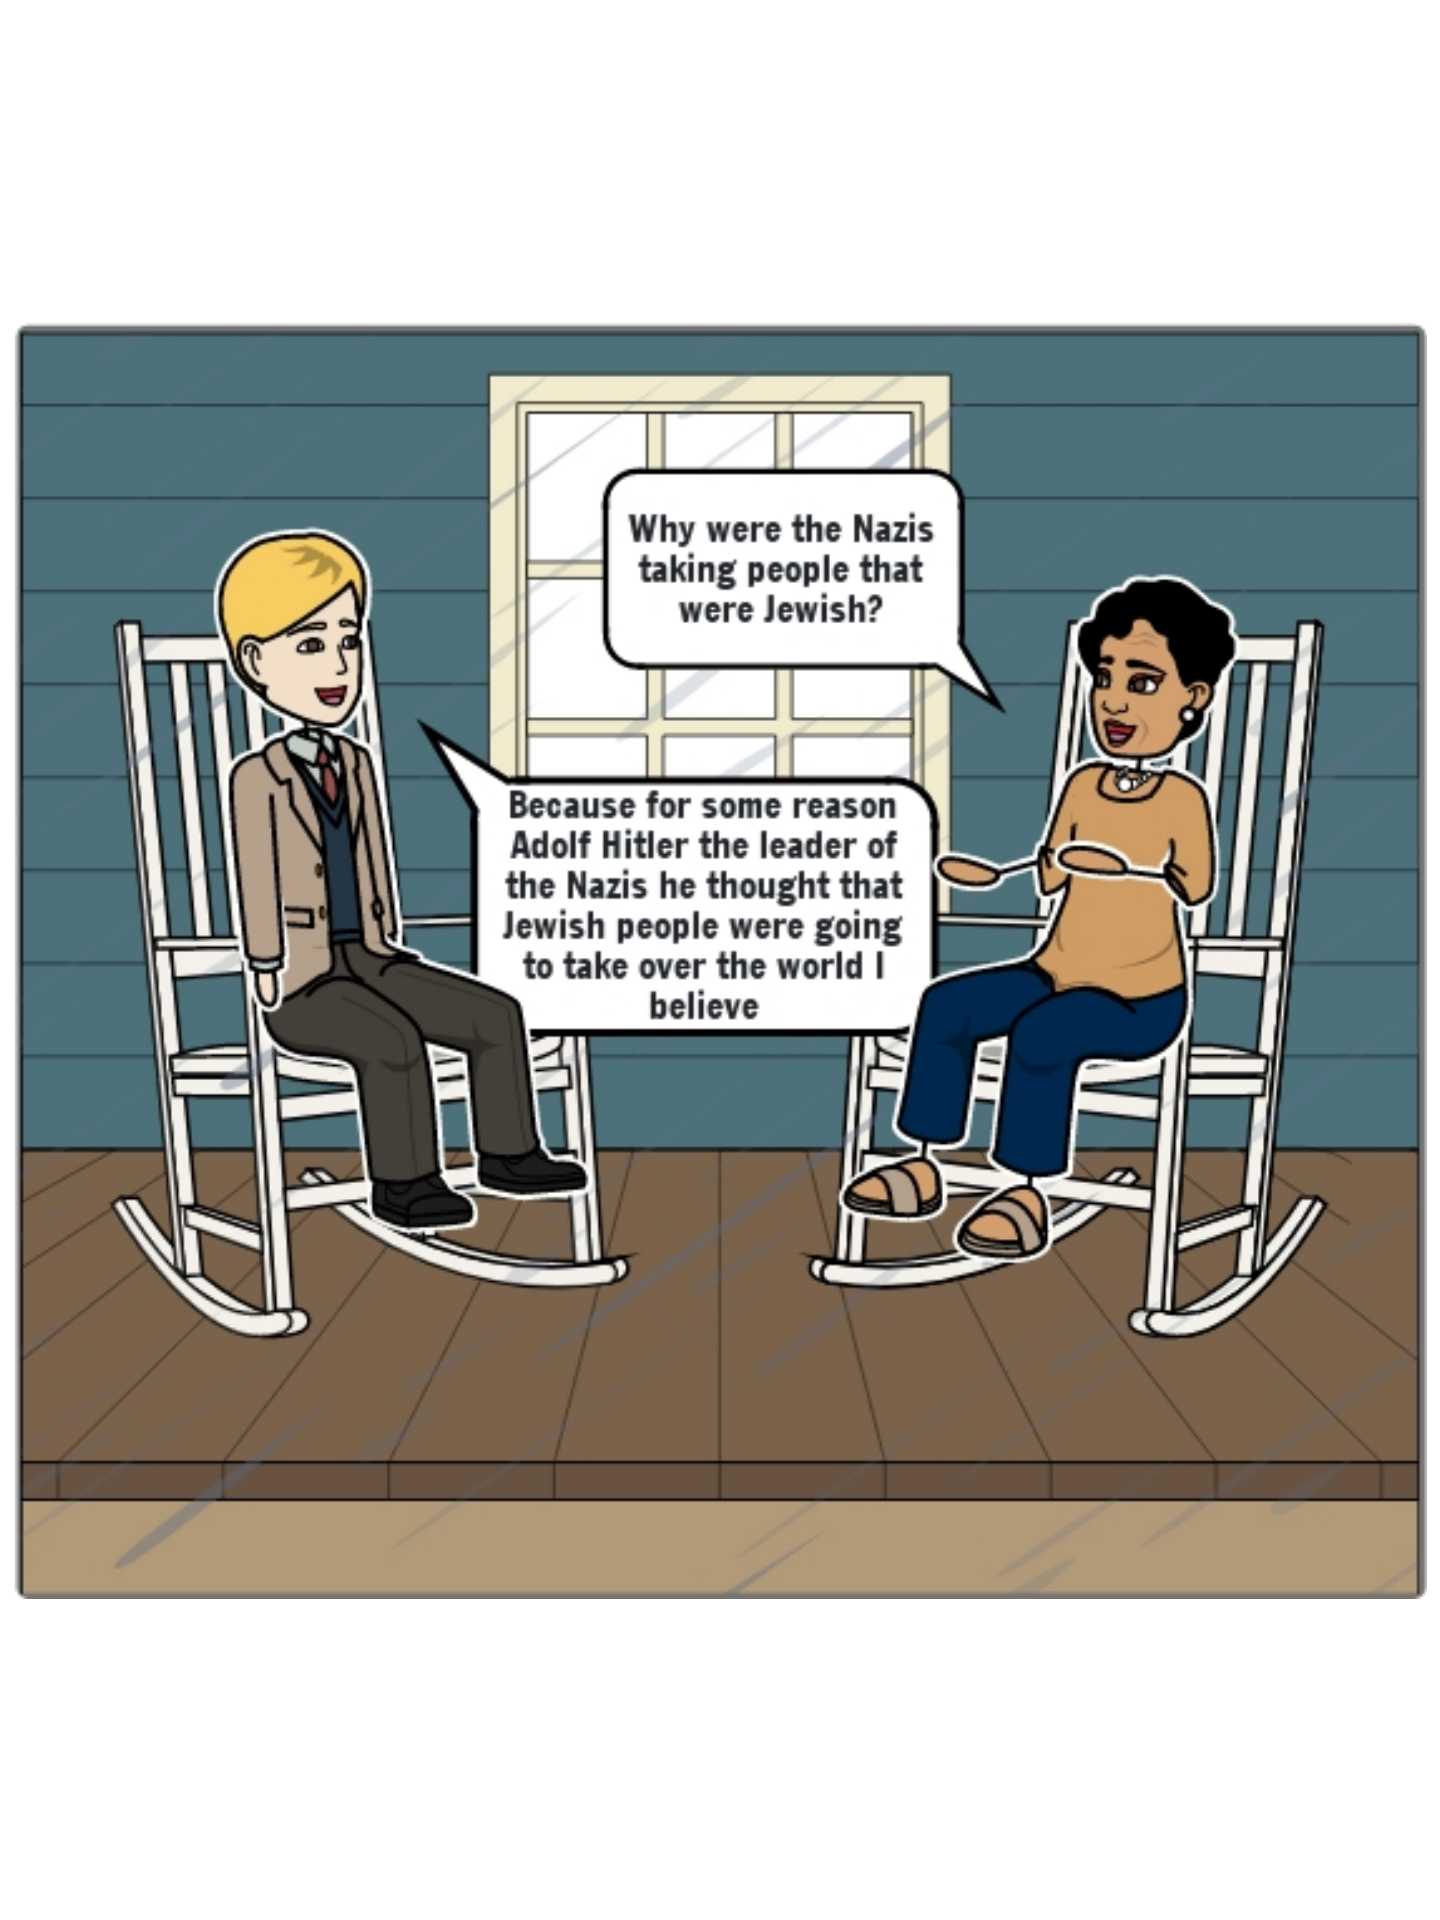

That was so fun

That was almost as scary as the time the Nazi's were interrogating me.

In order to keep  
all the Jewish  
people safe from  
the Nazis

Why did you  
have to keep  
secret from the  
Nazis

Why were the Nazis taking people that were Jewish?

Because for some reason Adolf Hitler the leader of the Nazis he thought that Jewish people were going to take over the world I believe

I have a question for you what did it feel like standing up to the bus driver?

I was just sick and tried just having to follow the rules and I just thought it was time to do what I want

Why?

It is almost time to go.

Because it is almost time for you to wake up from your dream

Well I guess this is it I really had a good time learning more about you and I am much more motivated now because of you.

Thank you I am flattered it was really nice meeting you. When you wake up you know what you have to do.

Wait what? what just happend

Rosa Parks after her dream.
